No. 105. From F. CHURCH, Esq., Acting Agent and Manager; to Lieutenant Colonel C. O. JOHNSTON, Consulting Engineer for Railways, dated 29th August 1861, No. 782.

1. I have the honor to acknowledge the receipt of the Order of Government, No. 1,000, dated 8th instant, requesting to be informed whether there is any one in the Company's service who knows the relatives of the late Deputy Inspector M. *Memo. from Acting Chief Accountant, No. 329,
28th August 1861.*

2. In reply I beg to submit for the information of Government the following communication received from the Chief Engineer.

"The only information that the Engineer of District 13 is able to furnish is from recollection, to the effect that the deceased was a Native of Dumfries and a Plumber by trade, afterwards in the late East India Company's Horse Artillery, their books probably would give more decisive information."

Forwarded to Government with reference to their Order No. 1,000, dated 8th August 1861 in the Judicial Department.

No. 106. From Lieutenant Colonel W. G. WOODS, Adjutant General of the Army; to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, Fort Saint George, dated 8th November 1861, No. 815.

With reference to letter dated 29th August 1861, No. 782, from the Acting Agent and Manager Madras Railway, referred to this Department under date the 13th September 1861, and to Order of Government, No. 1,000, dated 8th August 1861, I have the honor, by order of the Provincial Commander-in-Chief, to subjoin for the information of Government, the following report from the Brigadier Commandant Madras Artillery, regarding Pensioned Gunner William Chambers (not M. Chambers of whom no trace can be found.)

"That the individual therein referred to appears to have been Pensioned Gunner William Chambers, who was pensioned from the Horse Brigade Artillery on the 31st October 1856, and who it is known was at Salem, employed on the Railway, after he left the service."

"The Officer Commanding the Horse Brigade states, that the records of the Brigade afford no information regarding the friends of the late Gunner Chambers; but he has ascertained from a Mr. Francis Bell, at present employed under the Executive Engineer at Nellore, and formerly a Gunner in the A. Troop, Horse Brigade, that he (Mr. Bell) and Chambers were school-fellows, and fellow townsmen of the town of Dumfries, and that the only relation Chambers had when he left Scotland to join the late East India Company's service, was an Uncle named John Chambers, a slater by trade, who resided at Dumfries and who died either in May or June 1848."
