2. As regards the pay of these men, it is observed that the amounts are given after deduction on account of the Police Superannuation Fund. As such deductions are not credited to Government, the full amount of salary will be passed in each man's case, for the period during which a substitute was employed for him, in consequence of his absence.

3. The rates of batta disbursed to the ranks of the Police Force, when detached on duty, as appears from a Memorandum furnished by the late Commissioner of Police, and recorded in Proceedings, 3rd February 1860, No. 127, are as shown in the margin. The per diem allowances, 8 and 6 Annas, claimed for the Darogah and Naigues in the present instance, are double

these rates. In consideration, however, of the expense of living at the place to which they proceeded, the Government authorize the disbursement of the higher rates of batta proposed for the Darogah and Naigues, and batta at the usual rate to the Inspector.

4. His Honor in Council sanctions the Railway and Transit charges incurred, amounting to two hundred and eighty-six Rupees.
