Proceedings of the Madras Government, Judicial Department, 9th December 1861.

No. 44. Read the following letter from W. J. RAYNOR, Esq., Officiating Civil Paymaster; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 18th November 1861, No. 1,138.

Judicial Department.

With reference to the Proceedings of Government, No. 1,163, dated 16th September, relative to the powers of Controlling Authorities to sanction Estimates under G.O. of 26th January 1858, No. 46, I have the honor to state that I do not find that any evil has resulted from the practice adverted to by Mr. Rohde of allowing such sanction to extend to *each* new Article or Work, (within the limit of 100 Rupees) without respect to *the total cost of* Articles or Works so sanctioned at each time. The restriction complained of was doubtless intended to check expenditure and prevent the exercise of power beyond what the Order of 26th January 1858 may have contemplated; but if the Government consider it expedient, for the reasons assigned in their Proceedings under reply, that the former practice should not be disturbed, there can be no further objection on the part of this Office to its continuance.

No. 45. ORDER THEREON, 9th December 1861, No. 1,509.

Under the opinion expressed by the Officiating Civil Paymaster, the Government resolve to confirm the construction heretofore placed on the Order of the 26th January 1858, No. 46, Financial Department, viz., that the limit of one hundred Rupees, up to which the Controlling Authorities in the Civil Departments, have power to sanction new Articles or Works, applies to the cost of each Article or Work, rather than to the total sum of the Estimate or Bill.

Chief Secretary.
