Proceedings of the Madras Government, Judicial Department,
13th December 1861.

No. 71. Read the following letter from Lieutenant Colonel W. H. HORSLEY, Chief Engineer, D. P. W.; to J. D. SIM, Esq., Secretary to Government, P. W. D., Fort Saint George, dated 27th November 1861, No. 7,691.

Judicial.

Nos. 60, 632, and 1,312, dated 7th January, 18th March 1859, and 21st June 1860.

ENCLOSURES 6.

- 2 Letters from District Engineer, Nos. 672, and 549, dated 17th September 1860 and 13th August 1861.
- 1 Letter from Acting Deputy Registrar Sudder Court, dated 28th October 1861.
- 1 Report.
- 1 Plan.
- 1 Abstract Estimate Rupees 17,870.

With reference to the Proceedings of Government marginally noted, I have the honor to forward, for the sanction of Government, a Plan, Specification, and Estimate amounting to Rupees 17,870, for constructing a two storied Court House for the Subordinate Judge and Sudder Ameen, in the District of Madura, countersigned by the Civil Judge in token of his approval.

2. The Judges of the Sudder Court approve of the work, and recommend its construction, as the necessity for a building of the kind has long been acknowledged. The slight alteration suggested by them have been attended to.

3. In Proceedings No. 1,312, dated 21st June 1860, Government called for a Plan and Estimate for a building to accommodate the Subordinate Court and the Court of the Muffti Sudder Ameen; but the Judges of the Sudder Court having desired that the Estimate may be entered in the Budget as a Court House for the "Subordinate Judge and Sudder Ameen," the heading of the Plan and Estimate has been altered accordingly.

4. The Estimate has been examined and corrected in this Office, and the rates given in it are those prevailing in the Madura District, and are sufficient to carry out the work. I request therefore, that you will be good enough to obtain the sanction of Government for the entry of the amount, viz., Rupees 17,870, in the Budget for 1862-63.

5. I regret the delay which has taken place in the submission of those documents. On the 17th September 1860, Lieutenant Smalley, then in charge of the District, forwarded a Plan and Estimate amounting to Rupees 18,660, which not being approved of, were revised here and returned* to the District Engineer for re-submission in proper form and with the countersignature of the Civil Judge, and did not reach this Office until the 21st of August last. They were then examined in the Estimate Department and finally submitted for the approval of the Judges of the Sudder Court from whom they were received back on the 29th ultimo.

* No. 10,413, dated 27th February 1861.

6. In conclusion, I would only remark, that if there is any probability of the Court of the Sub-Judge of Madura being permanently closed, as I gathered from the District Engineer's letter, No, 902, dated 14th October 1861, forwarded to Government with mine of 26th October 1861, No. 6,479, was the case, it would not be well to include the accompanying Estimate in the Budget of 1862-63. This, however, is a matter for the Government to decide.

No. 72. ORDER THEREON, 13th December 1861, No. 1,531.

In the event of its being decided hereafter that the Sub Court at Madura is to be permanently closed, the building on the plan submitted with the above letter, will still be necessary for the Court of the Principal Sudder Ameen, who will replace the Sub-Judge.

2. The present estimate for Rupees 17,870 is accordingly sanctioned for entry in the Budget for 1862 63.

(Signed) T. PYCROFT,
Chief Secretary.
