*Proceedings of the Madras Government, Judicial Department,
7th February 1861.*

No. 23. Read the following letter from Lieutenant GEO. NICHOL, Bombay Invalid Establishment, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Ootakamund, 26th January 1861.

Being informed that my application should be directed to you, I have the honor to solicit an appointment in the new Police.

Should you deem me worthy of a trial, I feel entire confidence in myself and Mr. Bird, our Judge at this Station, would, I know, if asked, speak in my favor, as would also Mr. Nesbitt, who was the first to question me as to whether I would like to enter the new Police or not.

I may be permitted to add that I know a few of the Native languages—have been much on the Continent—have frequently acted Adjutant to my Regiment, which I also commanded—was for a short time Fort Adjutant of Bombay. I may also be pardoned for mentioning that I have but my Subaltern's Invalid pay to live upon, but am only too willing to work for Government in any way they may wish to employ me, although I should certainly prefer the Police, which would give me constant open air exercise and enable me to retain my health better than if tied to the desk.
