*Proceedings of the Madras Government, Judicial Department,
9th February 1861.*

No. 33. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort Saint George, dated London, 8th January 1861, No. 2.

1. The report of the Inspector General of Prisons in your Presidency for the year 1858-59 together with your Orders thereon of the 5th October last have been considered by me in Council.

2. Your Orders dispose of the several points calling for remark in the Inspector General's report. I have however to express my deep regret at the heavy mortality in some of the Jails. As you observe in the present state of the finances, it is not possible to build others, but recourse should be had to all such measures as are likely to improve the sanitary condition of those places, by the removal as far as possible of the causes which now render them unhealthy.

No. 34. ORDER THEREON, 9th February 1861, No. 172.
Communicated to the Inspector General of Jails and to the Principal Inspector General, Medical Department.

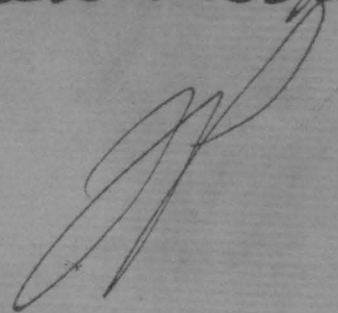

(Signed) T. PYCROFT,
Chief Secretary.
