*Proceedings of the Madras Government, Judicial Department,
12th February 1861.*

No. 52. Read the following letter from C. F. CHAMIER, Esq., Registrar of the Sudder Court, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 2nd February 1861, No. 9.

1. I am directed by the Judges of the Sudder Court to state for the Orders of Government that the Acting Subordinate Judge of Madura has reported that, subsequent to the receipt of the Order of Government, dated the 12th January 1860, Judicial Department, No. 45, he found that, owing to the enhanced price of wood, it would be utterly impossible to construct, for the sums estimated by his Nazir, Bureaus of a quality suited to the preservation of Records; and consequently, as opportunities occurred, purchased 4 from different gentlemen, for 112 Rupees, which answer the purposes required.

2. The Acting Subordinate Judge has also applied for sanction for the purchase of an additional Bureau and a dozen Chairs for the use of his Court, at an estimated cost of 30 Rupees for the former, and 4 Rupees for each of the latter. He says that there are only 2 Chairs in good condition, all the others being more or less broken and not worth the expense of repairing; and that he will do his best to purchase these articles as cheap as possible and will further reduce the amount by the sale of the unserviceable Chairs.

3. The Judges beg to recommend that the special sanction of Government be granted for the sum (Rupees 112-0-0) one hundred and twelve actually expended under the Order above referred to, the Acting Subordinate Judge being required to remit the balance of 13 Rupees to the Collector's Treasury; as well as sanction for the articles now applied for.

No. 53. ORDER THEREON, 12th February 1861, No. 185.

Communicated to the Civil Auditor, who is authorized to pass the cost of the four Bureaus purchased under the Order of the 12th January 1860, No. 45.

2. The Government grant authority for the purchase of another Bureau at an estimated cost of thirty Rupees, and also of a dozen Chairs at a rate not exceeding four Rupees each. It is observed that the outlay for the Chairs will be diminished by the sale proceeds of the Chairs in use at present.
