Proceedings of the Madras Government, Judicial Department, 15th February 1861.

No. 64. Read the following letter from W. ROBINSON, Esq., Inspector General of Madras Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 13th February 1861.

General Department.

In continuation of my letter, dated 9th November 1860, I have the honor to state that I consider it indispensable to the proper management of the Police Force of the Presidency, that the measures therein proposed, and approved of by Government under date 16th November 1860, (No. 1,501, G. D.) be at once carried out; and that Inspecting Superintendents be appointed to four of the Ranges therein fixed.

2. The Northern Circar Range has not yet been taken up; and this appointment may lie over for a time.

3. I beg to recommend the appointment of the following Officers who are now of some standing in the Force, to the Ranges respectively noted against their names:—

Lieutenant C. S. Hearn, 26th N. I., Superintendent of Police, Cuddapah. } To Ceded Districts Range.

Lieutenant W. S. Drever, 31st N. I., Superintendent of Police, North Canara. } To Western Range.

Lieutenant T. B. E. Tennant, 26th N. I., Superintendent of Police, Coimbatore. } To Southern Range.

4. Captain George Hearn, 49th Regiment, N. I., Superintendent of Police in North Arcot, has already been appointed Inspecting Superintendent, and will supervise the Central District Range: to which the District of Nellore will be attached for the present.

5. Consolidated pay of 1,000 Rupees per mensem should be assigned to these appointments; with travelling allowance at the usual rates. This will be preferable to allowing the pay of an ordinary Superintendent, as Staff pay, in addition to Regimental pay; as a Captain would draw thereby considerably more than 1,000 Rupees per mensem.

6. I hope that we may eventually do away with 5 Assistantships with a view to, in part, meeting the cost of the new grades.

No. 65. ORDER THEREON, 15th February 1861, No. 191.

Under the circumstances represented by the Inspector General of Police, the Government resolve that the arrangement approved by them in their Proceedings of 16th November last, Judicial Department, No. 1,501, for the constitution of Police Ranges be carried out, as respects the Ceded District Range, the Western Range, the Southern Range and the Central Range. The Northern Circar Range will be reserved for consideration hereafter.

2. His Excellency the Governor in Council accordingly is pleased to make the following appointments:—

Lieutenant C. S. Hearn, 26th Regiment Native Infantry, to be Inspecting Superintendent of Police for the Ceded District Range, consisting of the Provinces of—

Bellary.
Kurnool.

No. 66. To the Secretary to the Government of India, Home Department, dated Fort Saint George, 15th February 1861, No. 192.

In my letter under date 15th December last, Judicial Department, No. 1,655, I had the honor to report that the Inspector General of Police had, for reasons fully explained, proposed that the entire Presidency of Madras should, for Police purposes, be divided into five ranges, and that a grade of Inspecting Superintendents—who were to receive full Regimental Pay and allowances in addition to the pay and travelling allowances of ordinary Superintendents—should be constituted for the charge of these ranges. I stated that, under the circumstances represented, this Government had sanctioned the new grade, but that only one appointment had yet been made.

2. I am now directed by His Excellency the Governor in Council to forward for submission to the Government of India, the accompanying copy of a further communication, of the 13th instant, from the Inspector General, stating that he deems it indispensably necessary that the measures which he had proposed, and of which this Government had in their Proceedings of 16th November 1860 approved, should be at once carried out; that four out of the five ranges, viz., the Ceded District, Central, Southern and Western ranges should now be constituted; and that Inspecting Superintendents should be appointed to them. The range for the Northern Circars may, in Mr. Robinson's opinion, for the present lie over.

3. Believing the arrangements thus recommended by the Inspector General to be essentially necessary for the due organization, and effective maintenance of the new Police, this Government have accordingly constituted the four ranges as proposed, and have appointed to each an Inspecting Superintendent on a consolidated salary of Rupees 1,000 per mensem with travelling allowance at the usual rates, and they have desired me, in continuation of my letter of the 15th December last, to report these proceedings for the sanction of the Government of India.
