* *To be returned.*

In forwarding an original letter* from the Civil Judge of Nundial, No. 3 of 1st instant, for the Orders of Government, I have the honor to recommend that the full salary of Nazir from 1st to 6th January last, should be passed to Venkata Gopal Row, late Additional Moonsiff of Nundial; and a moiety thereof as allowance to the Officer who actually performed the duties of that appointment for the period. The latter will be an extra charge to the State but covered by savings whilst the place remained vacant in December last.

From L. C. INNES, Esq., Civil Judge of Nundial, to the Civil Auditor, Fort Saint George, dated Kurnool, 1st February 1861, No. 3.

Gópál Ráu the Názir of this Court held the appointment of Additional District Moonsiff of Nundial. The Additional Moonsiff's Establishment was abolished at the close of December 1860, the period to which the sanction of Government of India extended; and Gópál Ráu, was detained at Nossam, the station of the Additional Moonsiff until the 2nd January 1861, in closing the accounts, and arranging for the transmission of the records, &c., to this, and the Nundial Moonsiff's Court. He left Nossam on the latter date and arrived here on the 6th; and that day being a Sunday, he resumed his Office of Názir on the 7th idem.

2. Under the circumstances stated above, I have the honor to request that you will be good enough to inform me whether Gópál Ráu is entitled to draw his pay as Názir from the 1st to the date of his joining, or whether the person who actually performed the duties during the said period is entitled to the pay; if the latter, it will be observed that Gópál Ráu will draw no pay from the close of December to the 7th January, though as he was engaged in his duty during that period he would seem entitled to remuneration.
