2nd. As these papers do not coincide, I am obliged to trouble you with a request that you will favor me with information as to which is correct.

3rd. The Police Commission require the full Establishments as they stood sanctioned by Government on 1st of May last, and not that of their present strength which may be below the sanctioned complement.

No. 179. ORDER THEREON, 28th February 1861, No. 267.

Ordered that the following letter be despatched.

(Signed) T. PYCROFT,
Chief Secretary.

No 180. To Lieutenant Colonel H. BRUCE, C.B., Secretary to the Police Commission, Calcutta, dated Fort Saint George, 28th February 1861, No. 268.

I have the honor to acknowledge the receipt of your letter, 23rd January 1861, No. 8, in which you transmitted copies of the returns of Military Police, furnished with my letter of the 30th November last, No. 1,578, and likewise a copy of a Statement received from the Civil Auditor, Madras, and containing the same establishments. You remark that these papers do not coincide, and state that "the Police Commission require the full establishments as they stood sanctioned by Government, 1st May last, and not that of their present strength which may be below the sanctioned complement."

2. In reply I am directed to return these Statements which have been revised in this Office, and which as they now stand show the full strength and cost of the several bodies of Military Police or as they are here designated Civil Armed Establishments, or Sibbundies, of this Presidency, as they were on the 1st May last.

3. It will be observed that the Kurnool Irregular Horse and the Malabar Police Corps do not appear in the Civil Auditor's Statement at all. This is in consequence of those bodies having been transferred to the new Police, the Districts of Malabar and Kurnool having been brought under the operation of Act XXIV, 1859. No change has, however, yet been effected in the Kurnool Irregular Horse, except that the Commandant has been made a Superintendent of Police for the District of Kurnool. A large reduction has, however, been made in the Malabar Police Corps, many of the men having been absorbed into the new Police. The return of this Corps shows its strength as it now actually stands.

4. The Purlah Kemedi Sibbundies are also omitted from the Civil Auditor's Statement, as they do not form a charge upon Government, the cost being defrayed from the revenue of the Purlah Kemedi Estate.

5. On the other hand the forces entered in the Civil Auditor's Statement as (1) Kistna District detached Sibbundies, (2) Tanjore Civil Armed Establishment, and (3) Trichinopoly Civil Armed Establishment, do not appear among the returns forwarded by the Inspector General of Police. These, I am to explain, should not be classed as Military Police, Civil Armed Establishment, or Sibbundies. They in no wise partake of Military organization, and do not differ from the ordinary District Peons.

(Signed) T. PYCROFT,
Chief Secretary.

The Subscriber having been appointed by the Governor in Council a Justice of the Peace for the District of Victoria, Vancouver Island, hereby gives notice that he will attend at his Office in Victoria on Monday and Thursday of each week, between the hours of 10 o'clock A.M. and 4 o'clock P.M. for the purpose of administering the Oath of Office to Constables, and for the transaction of such other business as may be brought before him.

Dated at Victoria, Vancouver Island, this 1st day of December, 1856.

JAMES COCHRANE,
Justice of the Peace.

A Statement of Sebundy Corps on the sanctioned scale, 1st May '60, has been prepared — & to it is attached a Comparative form, explaining the variations between this, the Civil Auditor's Statement, & the Returns furnished by the Inspector Genl. of Police.

It does not appear to have ever been the custom to charge the pay of the Mily Apts. & Sanjaws, against the Goomsoor Corps.

As regards the Magisterial & Metropolitan Police, the Returns were sent to the Police Commission in originals — & as they have not been returned, there are no means of comparing them with the Civil Auditor's returns.

Letter 15th Nov. '60 No. 1497.

Statements of the Presidency Police — Foot, Mounted, & Harbour being of recent appointment — can be prepared in this Office, although the process will be necessarily slow.

Note - The papers for the Marine Police have been slow collected.

23 Nov. 60.

No Statement can be prepared in the same way for the Magisterial Police, as the sanctioned scale in most cases cannot now be found out, & are not known. The Civil Auditor's Statement, ~~probably~~ contains the force as it stood on the date of his Returns, after reductions for the new Police. The safest Return would be that given in the Book of Civil Establishments for 1st May '60.

Please see Pros. 15th Nov. 60 No. 1496, there is no Return mentioned there for the "Magisterial Police" — the Return from each District being called the "Revised Peon Establishment according to the revised scale."
