*Proceedings of the Madras Government, Judicial Department,
1st March 1861.*

No. 3. Read the following letter from P. GRANT, Esq., Magistrate of Malabar, to T. PYCROFT, Esq., Chief Secretary to Government, Judicial Department, Fort Saint George, dated Calicut, 21st February 1861, No. 17.

I have received the Proceedings of Government, dated 15th instant, No. 193.

* For a License to sell Sulphur.

Proceedings of Government, dated 20th December 1860, No. 1,670.

2. The applicant* at Calicut, is one of the parties who were authorized, by the orders noted marginally, to make over their Sulphur to the Licensed Dealers.

3. He was offered, he says, a price too low for him to accept without the risk of incurring serious loss.

4. The only means he could, under such circumstance, adopt in view to disposing of, to any advantage, the Sulphur he had in his possession, was to apply for a License to sell it.

5. I saw no objection to this, as the man is respectable, and can be safely entrusted with a License.

But at the same time, no more than one year will, I presume, be required for the sale of all the Sulphur he has on hand. On the expiry of that period, the License need not be renewed, inasmuch as the two persons already Licensed will, I believe, be sufficient for the place, unless the demand for the article, in a large town like Calicut, where so much Sulphur is used in the bleaching of ginger for the English market, renders any more Licensed venders hereafter necessary.

No. 4.

ORDER THEREON, 1st March 1861, No. 274.

The Government authorize the Magistrate of Malabar to grant the applicant named in the margin a License for the sale of Sulphur, under Sections VII and VIII, Act XXXI, 1860.

2. The License will be for one year only, and is not to be renewed.
3. The Magistrate will be careful to inspect from time to time the book to be kept by the dealer under Section XIV, and also under Section XV the premises where the Sulphur is stored. He will at once revoke the License, should he see grounds for suspecting any irregularity.
