*Proceedings of the Madras Government, Judicial Department,
2nd March 1861.*

No. 26. Read the following letter from Surgeon Major E. BALFOUR, Persian and Hindustani Translator to Government, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 28th February 1861, No. 11.

Notice to Printers.

Tenders will be received at this Office until 9th December next, for printing Hindustani Translations of Acts, &c., for one year, commencing from 1st January 1860. Materials and impression are to be of the first quality, and an early delivery of the works that may be given for printing is essential.

I have the honor to submit, in reply to Order No. 262, dated 26th instant, that the advertisement for Contract issued by this Office was as per margin.

2. The correspondence from this Office, No. 67, dated 29th October 1860, will have explained that owing to the Contractor having been unable to keep up with the current work, it became requisite to print by lithographing also at a private Press and at that of the Public Works Department, all at the same time. The latter was of course without charge of printing, and I was much indebted for the assistance afforded.

3. In no one of the Bills hitherto presented from the Contractor or the Lithographer has there been any charge for stitching, cutting or folding. The Contractor and the Lithographer submitted the work unstitched, but folded without extra charges.

4. In our future advertisements for Contracts, care will be taken to have included in the agreement every necessary contingent charge.

No. 27. ORDER THEREON, 2nd March 1861, No. 238.

To be recorded.

(Signed) T. PYCROFT,
Chief Secretary.
