Proceedings of the Madras Government, Judicial Department, 12th March 1861.

No. 102. Read the following letter from A. PURVIS, Esq., Magistrate of the Godavery District, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 21st February 1861, No. 54.

With reference to the 4th paragraph of the Order of Government under date the 21st ultimo, No. 78, I have the honor to state that the town of Ellore will be visited by myself, or one of my European Subordinates, at least once during the year, when the inspection of the books and premises of the party referred to, should he eventually receive a license for the sale of Sulphur, can be made. The examination may be made more frequently should Government see fit to authorize me to delegate the duty to the Deputy Magistrate who resides at that station.

2. Adverting to the last para. of the Order under reply I would observe that Tállarevu is one of the suburbs of the large town of Coringa, and that Amlapur is a town of considerable size.

3. Since my letter of the 7th ultimo, the following applications for licenses have been received.

1. From Nalum Subbia of the town of Rajahmundry.
2. Mupperesetti Balakrustnia of Tallarevu.
3. Pinapotu Gajendrudu of do.

I venture to recommend that I receive authority to grant a license at least to the applicant at Rajahmundry.

4. A considerable quantity of Sulphur is used in this District in the manufacture of fireworks, and it will, I venture to think, be a hardship to throw a monopoly of the sale throughout the District into the hands of one or two individuals, which will be the effect of greatly restricting the grant of licenses.

5. Sulphur is also used for Medicinal purposes. Under Section XXI of Act XXXI of 1860 the article is, for this purpose, allowed to be kept and sold without any license, but it seems desirable that some rules should be laid down limiting the quantity unlicensed dealers are to be allowed to keep on hand on this account.

No. 103. ORDER THEREON, 12th March 1861, No. 338.

Manapilli Adenarraidu at Ellore.
Nalum Subbia of Rajahmundry.

The Government authorize the Magistrate of the Godavery District to grant the applicants named in the margin, Licenses for the sale of Sulphur, under Sections VII and VIII, Act XXXI, 1860.

2. The License will be for one year only, and is not to be renewed without the previous sanction of Government.

3. The Magistrate will be careful to inspect from time to time the books to be kept by the dealers under Section XIV, and also under Section XV the premises where the Sulphur is stored. He will at once revoke the License, should he see grounds for suspecting any irregularity.

4. The Magistrate and his Covenanted Assistants will inspect the books and premises of the Ellore dealer, whenever they may visit the station. The Deputy Magistrate there resident will perform this duty at least once a month, and report the result to the Magistrate.

5. As there is one licensed dealer at Cocanada already, the issue of licenses to the parties at Coringa, cannot be sanctioned. With reference to the remarks in paragraph 4, it will be intimated to the Magistrate that the enhancement of the price of fireworks in the Godavery District is of very little consequence compared with the necessity of keeping strict control over the manufacture of gunpowder, especially in a district adjoining the Nizam's country.

Proceedings, 21st January 1861, No. 78.

6. The Government think that two lbs. might be regarded as the maximum quantity that may be held by unlicensed venders for medicinal purposes.

(Signed) T. PYCROFT,
Chief Secretary.
