No. 152. ORDER THEREON, 16th March 1861, No. 366.

The Statement of expenses submitted by the Inspector General of Police, will be forwarded to the Civil Auditor to be passed in audit, if found correct.

2. The Sub-Treasurer is authorized to place a further sum of (60,000) sixty thousand Rupees at the disposal of the Inspector of Police.

Memo.

In the case of the Presidency Police, an annual statement is submitted, showing the number of Processers, Subans, Cumbles, &c. proposed to be issued to each man (this is a usual fixed limit) & the cost of each article (which varies with the state of the market.) The Govt. sanctions the estimate & advances the amount of it. When the charging is made up, the Civil Auditor passes the bills if within the estimate, without reference to Govt.

This is the system also as regards Public Works.

The check in both is the same— & so is the principle viz. the Govt. sanction the charge, & the Audit Dept., guided by the order of Govt., pass the amount, attending to the arithmetical calculations, comparing the particulars vouchers, &c.

This system has not been applied to the Mofussil Police. Advances are made without any estimates
