Proceedings of the Madras Government, Judicial Department, 28th March 1861.

No. 267. Read the following letter from T. J. KNOX. Esq., Sessions Judge of Chicacole, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 19th March 1861, No. 81.

1. Although the Extract of Proceedings of the Madras Government, dated 29th May 1856, are most decided that no communication of any kind whatsoever should pass between the Moplah State Prisoners in Gaol and their relatives, I trust there can be no objection to my submitting for the consideration of Government a request which has been made to me by the 3 men now in this Gaol.

2. They all express themselves very anxious to know if their parents and near relatives are still alive, and if this information could be procured through the Officers of the Constabulary without disclosure to the relatives for what purpose it was required, it would be in my humble opinion agreeable to every feeling of our common humanity that it should be afforded men, who, however horrible the foul crime in which they were implicated, have borne their hopeless and therefore most miserable lot with a patience that would have become a better cause.

Should the Government permit, I would place myself in communication with the Magistrate of Malabar, simply to ascertain whose parents, brothers, sisters, wives and children have died since 1855.

No. 268. ORDER THEREON, 28th March, 1861 No. 441.

1. *Narrakatputhenvittil Syed Mahomed Coyakutty.*
2. *Kallathil Padikel Mamunny.*

Referred to the Magistrate of Malabar, who will ascertain and report to Government, for communication to the Sessions Judge of Chicacole, and, through him, to the Moplah State Prisoners in question, the state of their parents and near relatives.

(Signed) T. PYCROFT,
