*Proceedings of the Madras Government, Judicial Department,
14th January 1861.*

No. 60. Read the following letter from W. M. CADELL, Esq., Magistrate of Tanjore, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated, 3rd January 1861, No. 2.

1. With reference to the Order of Government marginally noted, on the subject of the destruction of old and unserviceable Ordnance; I have the honor to state that there are 14 guns on the Flag Staff Bastion at Negapatam which are made use of as supports for the mast; these guns are included in the list formerly sent from this Office and the Warrant Officer appointed to the duty is preparing to burst them.

2. The guns are, however, made use of for the public service and for a purpose to which they are admirably adapted and, as it would be both difficult and expensive to substitute other supports, I beg to solicit the Orders of Government as to whether it is their desire that guns so made use of for public purposes are to be destroyed or not.

No. 61. ORDER THEREON, 14th January 1861, No. 45.

The Government direct that the old Cannon on the Flag Staff Bastion at Negapatam, be burst as already ordered. The District Engineer will be instructed, through the Public Works Department, to take other means for securing the Flag Staff.

(Signed) T. PYCROFT,
Chief Secretary.

The District Engineer will be
instructed, thro the Public
