*Proceedings of the Madras Government, Judicial Department,
9th April 1861.*

No. 47. Read the following letter from J. R. BOYSON, Esq., Government Solicitor, Madras, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 28th March 1861, No. 281.

1. Referring to the Proceedings of Government noted in the margin, I have the honor to state that my Account of Disbursements on behalf of Government during the year 1860 does not include a single fee either to Counsel or Officer of Court, or expenditure of any kind, properly chargeable to the Supreme Court Fines Fund or which can be obtained from that Fund: the fees mentioned in the Proceedings above adverted to being fees paid to Junior Counsel, (who appeared with the Advocate General), and other disbursements in connection with Prosecutions which the Law Officers instituted and conducted *on behalf of Government*, and not in cases in which the Clerk of the Crown instructed Counsel to prosecute under the authority of the presiding Judge.

2. The Orders of Government referred to in para. 3 of the Proceedings above noted have been most carefully adhered to in all cases to which they were applicable.

3. Under these circumstances I have the honor to request that Government will be pleased to pass revised Orders on the matter in question.

No. 48. ORDER THEREON, 9th April 1861, No. 474.

In this letter the Government Solicitor points out an error into which the Government had, in their Order of 26th ultimo, No. 417, fallen, in supposing that payments, chargeable to the Supreme Court Fines Fund, had been included in the Statement submitted by him on the 15th idem. Under the explanation now given, it is resolved that so much of the above Order as relates to this matter be cancelled, and that the disbursements according to the Statement submitted by the Government Solicitor and countersigned by the Master of Her Majesty's Supreme Court amounting to Rupees (18,535-13-9) eighteen thousand five hundred and thirty-five, Annas thirteen and Pice nine be sanctioned—the whole being chargeable to Government.

(Signed) T. PYCROFT,
Chief Secretary.
