*Proceedings of the Madras Government, Judicial Department,
12th April 1861.*

No. 63. Read the following letter from Lieutenant Colonel W. H. HORSLEY, Chief Engineer, Department Public Works, to J. D. BOURDILLON, Esq., Secretary to Government, Public Works Department, Fort Saint George, dated Chepauk, 27th March 1861, No. 11,447.

Enclosures 5.

- 1 Letter from the District Engineer Presidency, No. 247, dated 8th February 1861.
- 1 do. No. 1,043, dated 28th September 1860, with copies of letters.
- 1 Estimate.
- 1 Plan.

I have the honor to forward a Plan and Estimate, amounting to Rupees 444, for constructing a Guard-room against the inner wall of the North West angle of the Penitentiary, prepared by the District Engineer Presidency, on the requisition of the late Commissioner of Police, who proposed to post there a guard of

1 Nague and 8 Peons over the prisoners committed for trial, and who are located in the ward recently altered to receive them. Colonel Boulderson's idea was that the accommodation might be provided by putting a terraced roof to the North West bastion, but the District Engineer considered it "highly objectionable" as tending to facilitate the escape of the prisoners. Colonel Boulderson then forwarded to Captain Hitchins 2 sketches (one of which is that now submitted) saying that the object would be secured by the adoption of either.

2. In the construction of the Guard-room it will be necessary to raise the side walls of, and cover in, a drain on the site of the proposed building; the earth and masonry basement, moreover, of the adjoining bastion must be removed, and both of these items have been included in the Estimate.

3. There is also a small item for removing the 8 lamp posts now placed between the outer and inner walls and fixing them at nearly the same site, only on the walls themselves.

4. The Estimate, Rupees 444, has been duly examined in this Office and found correct, and I beg to recommend it for immediate execution out of the funds at the disposal of the District Engineer Presidency.

Transferred to the Judicial Department.

(Signed) C. G. MASTER,
Deputy Secretary to Government.

28th March 1861.

No. 64. ORDER THEREON, 12th April 1861, No. 485.

The Government sanction the immediate execution of the work provided for in the Estimate submitted, amounting to Rupees (444) four hundred and forty-four, to be defrayed from the source proposed.

(Signed) T. PYCROFT,
Chief Secretary.

24
