Proceedings of the Madras Government, Judicial Department,
12th April 1861.

No. 65. Proceedings of the Madras Government, dated 12th April 1861, No. 486.

His Excellency the Governor in Council resolves to direct the temporary closing of the Subordinate Court at Mangalore—and to establish, in lieu of it, a Principal Sudder Ameen's Court, constituted according to the provisions of Regulations VII and VIII, 1827. These arrangements will take effect from the 20th instant, and will be notified accordingly in the Fort Saint George Gazette.

2. Mr. L. S. Rozario will be Principal Sudder Ameen in the new Court—and Streenevassa Row, 1st Class District Moonsiff of Mangalore, will act as Temporary Additional Principal Sudder Ameen, in succession to Mr. Rozario.

Chief Secretary.

of appeals, no person
 need, I think, be ap-
 pointed to act in
 lieu of Mr. Hodgson
 and Malpiah might
 be vested with Cri-
 minal powers, as
 the Civil side of his
 Court would be closed
 for the adjournment.

I do not think it
 would be worth while
 to appoint a new Prin-

 will be thrown on the

 the end of April.

My dear Sir,
 You will see that
 Transpaga is considered to
 have the best claim to be
 permanently appointed.
 P. S. Amien comes next, having been already
 two years officiating, while last
 Thonayn has only been so
 four months.

Transpaga was appointed
 in place of the Assistant Judge,
 and will probably always be required
 for ordinary appeal work, which
 will never cease to be heavy at
 Mangalore.

Mr. Rozario might be appointed
 P. S. Amien with criminal powers,
 in lieu of the Sub. Judge. His
 own case need not be filled up
 just yet.

Mangalore, 9th February 1861.

To Lieutenant Colonel R. Brown
 Private Secretary to the
 Honorable the Governor of
 Fort St. George.

Sir,

Extract from
 of Commission
 10th Dec. 1859
 1859 No. 212.

1. Most respectfully I beg to represent
 to you for the information of His Excellency
 the Governor that I hold the appointment
 of Additional Principal Sedar Amien at this
 station since the 8th of January 1859, and that
 the period sanctioned for the continuation of the
 Additional Principal Sedar Amien's Court will
 expire on the 8th of April next.

2. I understand that the Subordinate
 Judge of this station, Mr. Pechin, has ap-
 plied for two years' furlough. In the event
 of the furlough being granted, and a Principal
 Sedar Amien's Court being temporarily esta-
 blished for want of a Committed Officer to
 fill the Subordinate Judgeship, or for other
 reasons, I beg you will be kindly pleased
 to lay before His Excellency the Governor my
 application for the office of Principal Sedar
 Amien of the Court to be so established.

3. I beg to state that the Civil Judges
 of Mysore in their letters to the Judges of the
 Sedar Court dated the 29th April 1853 and 7th
 February 1857 mentioned me as one of the best
 qualified to fill the office of Principal
 Sedar Amien. I beg to submit a copy of
 the last letter, with a statement of my
 services, character & qualifications, which
 together with the summons in which I have
 discharged the duties attached to my present
 situation, will, I humbly trust, satisfy the
 Government that I would creditably fill
 the office I am soliciting.

I beg to remain,
 Sir,
 Your most obedient servant,
 P. S. Rozario

1. With reference to your letter of the 23rd ultimo, directing me to present the names of such persons as are in my opinion preeminently qualified to fill the office of Principal Sader Amin I have the honor to state that I consider that Ganapaya the Sader Amin of Sway & Mr. L. S. Rodas the District Munsiff of Rangoon are the best qualified to fill the office of Principal Sader Amin.
2. These individuals are held in high estimation by all classes of people in this Hillah.
3. Ganapaya the Sader Amin possesses better moral & personal qualities, Watson, Babington, Shanks, Pearson, Vaughan, Anderson, Hooper, Bird & Morris, which speak very highly of his qualifications & character, and that the Acting Civil Judge Mr. Forsyth reported to the Higher Court in September 1844 that his qualifications for any Judicial office were of the highest order - This officer has since my tenure of office continued to uphold his high character.
4. Mr. Rodas is also a very valuable public servant - Mr. Forsyth in his report to the Higher Court on the Character & Qualifications of the principal Officers on the Establishment stated that "his zeal & assiduity for business were most provideworthy, that his character was unimpeachable, and that his steady habits & perfect knowledge of the Regulations & Land tenure in Canada must render him a most valuable & efficient public servant in any situation that he can hold in the Judicial Department in this District", and the late Civil Judge Mr. Lumsden in his letter to the Higher Court dated the 29th April 1853 stated that "if the Judges did not approve of his proposition to allow the Sader Amin to continue to act as Principal Sader Amin till Sonjra Charles's recovery, he would nominate Mr. Rodas as the

The Judges of the late Adalat having, in the course of their proceedings, in the 2nd Decr. 1839, observed that "their own experience enables them to bear testimony to his qualifications as a most excellent Translator," I feel only add that as Mr. Moller has been of assisting all most President of his character is trustworthy, and his study of the perfect knowledge of the Regulations of law in Canara must render him a most valuable and efficient public servant in any situation that he can hold in the Judicial Department in this District. By J. L. Laddell Esq., in 1845. I need only add that I have never had occasion to find fault with this servant - We had continued the same active, steady, faithful public servant which my predecessors found him - By J. L. By J. S. L. Esq., in 1852.

I have only known this language for the last six weeks that I have had charge of the Court, and I have found him intelligent & very attentive, perfectly well versed in the Civil & the Criminal Code, and thoroughly acquainted with the usual business of the Court.

I have the honor to nominate Mr. L. S. L., the Minister of the Court, as the person whom I consider best qualified for the office of District Attorney of Buenos Aires, for reasons already recorded in the letter from this Court dated August 1845, 8: November 1847, and 24: February 1852.

By J. S. L. Esq., in 1853.

As the Judges do not approve of my proposition to allow the Attorney General to continue to act as Principal Auditor Admin. till Don Carlos Recarray, I would nominate Mr. L. S. To

Chief Secretary to Government

Having been appointed
as Principal Sadr Amun of
Kollon I have been temporarily
employed under the orders of
Government, in clearing off the
heavy file of this Sillah.

I addressed a letter
on the 8th December last repre-
senting that after the disposal
of the arrears of appeal suits
in this Sillah I shall have
to close my appointment in consequence
of

of the abolition of the office of
Ladder Amin of Sorey which I
formerly held and my acquaintance
with the vernacular language of
Kellow, but received no orders
on the subject.

As the term for which
I was ordered to do duties here
has nearly expired, and as I
learn that two of the Moonsiffs
in this Lillah have been recom-
mended by the Civil Judge
as fit persons for the office
of Principal Ladder Amin,
I again take the liberty to
repeat my request that you
will be good enough to lay
my case before the Government
so that I may be able to
obtain any appointment either
in this District or in that

Honour in case of any appoint-
ment being about to be made.

He runs over the abolition
of the old law courts seems
to be likely. I see to urge the fol-
lowing circumstances for the benign
consideration of the Government.
In order to overcome the
apparent file of the Gillak the As-
sistant Judges of the court were removed
and after a while replaced by
court, and for the same purpose
the first Principal Judge of the
Court was appointed at and
that of a fellow transferred to
this place. Of these 3 courts are
also for the special and particular
purpose, & it is hoped, will be abo-
lished in consequence of some re-
solutions of the file and the term for

which they were entered names
nearly expired - the reduced state
of the file may I apprehend place
the stability of my Court at hazard
if it would not lead to the immediate
abolition thereof.

To guarantee safety therefore
I request that I may be appointed
to replace the said Judge. I humbly
hope the Government will be aware
of my seniority over the other
candidates to entitle me
to the compliance of my request.
