PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. BOURDILLON, Esq., Secretary to Government, dated Chepauk, 16th March 1861, No. 11,043:—

SIR,

1. I have the honor, with reference to the Order No. 147, dated 21st January last, to forward, for submission to Government two Plans and an Estimate amounting to Rupees 315, for providing supports for the Flag Staff at Negapatam, in the District of Tanjore,

* No. 364, dated 19th February 1861.

1 Letter as above.
1 Abstract Estimate.
2 Plans IV. 2-17, 193-61.

2. Captain Oakes reports* that the estimate has been prepared in communication with the Master Attendant; and that the work has been proceeded with in anticipation of sanction, as the warrant Officer who is engaged in bursting the guns is anxious to have those guns removed which at present support the Flag Staff.

3. The items for the services of Lascars, and for rope and tar for re-fastening the rigging are included in the estimate at the request of the Master Attendant.

4. The accompanying estimate has been examined in this Office, and found correct. I beg therefore to recommended that Government will be pleased to grant sanction for the amount, Rupees 315, to be defrayed from the general repair funds allotted to the District of Tanjore, for expenditure during the current official year.

ORDER THEREON, 5th April 1861, No. 674.

On further consideration the Government deem it unnecessary to disturb the old guns now used as supports to the Flag Staff at Negapatam.

(True Extract.)

Secretary to Government.
