Proceedings of the Madras Government, Judicial Department,
18th April 1861.

No. 122. Read the following letter from C. F. CHAMIER, Esq., Registrar of the Sudder Court, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 12th April 1861, No. 44.

1. I am directed by the Judges to state on the subject of the Proceedings of Government dated the 9th instant, that the Government Pleader appears to be laboring under a misapprehension as to the effect upon suitors of any delay which may occur in the preparation of the Court's decrees. It is a rule of Court that a day will be added to the appeal time for every day's delay not attributable to the party. Thus, as Mr. Dale's application for a copy of the decree in the case in question was put in on the 27th October, and the printed copy was not furnished till the 22nd of November, 26 days will be added to the six months allowed for appealing to Her Majesty in Council; thus bringing the period limited for appeal down to the 18th proximo.

2. The Government Pleader is also in error in supposing that, in the event of the Judges seeing cause to modify their judgment in any case, the decree is dated the same day as the hearing; no judgment being ever modified without a fresh hearing being given.

No. 123. ORDER THEREON, 18th April 1861, No. 530.

Communicated to the Revenue Department, in reference to Proceedings, 5th instant, No. 759.
