*Proceedings of the Madras Government, Judicial Department,
14th January 1861.*

No. 79. Read the following letter from E. B. THOMAS, Esq., Magistrate of Coimbatore,
to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated
28th December 1860, No. 72.

With reference to the accompanying copy of letter from the Superintendent of Police of
this District, dated 11th instant, No. 173, I have the honor to request the Orders of Govern-
ment as to who should grant Licenses for the exportation of Arms, Ammunition, &c.

2. According to the spirit of the Order of Government, dated 18th September 1860,
No. 1,198, paragraph 8, wherein it is enjoined that Licenses for the importation of Arms, Per-
cussion Caps, Sulphur, Saltpetre, Gunpowder and other ammunition should in the Districts
which have been brought under Act XXIV of 1859 be granted by the District Superintendent
of Police. I believe that the word "importation" implies exportation also, and that it is the
Superintendent of Police that should grant Licenses for such.

3. In the instance alluded to by Captain Tennant, certain parties wanted to convey Salt-
petre to Paulghat for private purposes, and I referred them to him for the requisite License,
but as that Officer entertains doubts as to his issuing such, I request Government orders for
our future guidance.

From Captain T. E. TENNANT, Superintendent of Police, Coimbatore, to the Collector of
Coimbatore, dated 11th December 1860, No. 173.

I have the honor to enclose two Licenses made out agreeably to the endorsement on a Native
Urzee enclosed, I shall feel obliged by your informing me if you wish all future Licenses for the
carriage of Saltpetre to be granted by me, as I read the Order of Government that "Superinten-
dents of Police are permitted only to grant Licenses for importation," not for exportation or removal
from one part of the District to another.

(True Copy.)

(Signed) E. B. THOMAS,
Magistrate.

No. 80. ORDER THEREON, 14th January 1861, No. 55.

The Government observe that no provisions are contained in Act XXXI, 1860, in regard
to the exportation of Arms, Ammunition, &c.

2. But by Sections XXII—XXIII of the Act, the transport from one part of India to
another or in any particular direction—which of course includes transport with intent to export
either by sea or by the land frontier—of any Arms, Military Stores, Lead, Sulphur, Saltpetre,
Gunpowder or other Ammunition, may be prohibited by the Local Government, either absolutely,
or except according to such rules and conditions as they may specify. Further, by paragraph 9
of the Order of Government 18th September 1860, No. 1,198, the Notification of 10th Novem-
ber 1857, which prohibited the transport of Arms and Ammunition without a License to be granted
in the Province by the Local Magistrate, has been declared to be still in force.

3. Under these circumstances the Licenses referred to by Mr. Thomas in the above letter
must be granted by him as Magistrate—and as Licenses not for exportation but for transport.

4. Copies of these Proceedings will be forwarded to the Magistrates in all Districts.

Chief Secretary.
