Proceedings of the Madras Government, Judicial Department,
26th April 1861.

No. 172. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort Saint George, dated London, 23rd March 1861, No. 10.

1. Your letter dated 4th January (No. 1) 1861, together with its enclosures, has been laid before me in Council.

2. The address presented by the inhabitants of the Tanjore District, to Lieutenant Duncan, Superintendent of Police, on his appointment to another Office, is highly creditable to that Officer, whose praiseworthy exertions in introducing the new system of Police into the District under his charge are very favorably noticed by the Inspector General of Police, but you are aware that Her Majesty's Government do not generally approve of addresses to Public Officers.

3. I observe with satisfaction the testimony borne by the Inspector General, to the cordial support he had received from the European Magistracy generally, in the re-organization of the Police of the several Districts of your Presidency.

No. 173. ORDER THEREON, 26th April 1861, No. 566.

Communicated to the Inspector General of Police, and to the Magistrates of Districts.

(Signed) T. PYCROFT,
Chief Secretary.
