*Proceedings of the Madras Government, Judicial Department,
27th April 1861.*

No. 180. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India, to His Excellency the Honorable the Governor in Council, Fort Saint George, dated London, 23rd March 1861, No. 11.

Your letter, dated the 6th January (No. 3) 1861, submitting your Report on the subject of the legal Education of Civil Servants in the Judicial Branch of the Public Service in India, has been laid before me in Council, and will be further considered on receipt of an expected communication on the same subject from the Government of India.

2. I observe, however, that the plan of training Civilians in the Judicial Branch of the service by examining them in England, in the elements of General Jurisprudence and of Hindu and Mohammedan Law; and on their arrival in India allowing them to enter as soon as possible upon the practical business of their Indian career which is recommended by the late Governor of Madras and acquiesced in by yourselves, is the system already in practice in regard to the Junior Civil Servants proceeding to the several Presidencies—The examinations in England being conducted under the instructions and supervision of the Civil Service Commissioners.

No. 181. ORDER THEREON, 27th April 1861, No. 572.

Communicated to the Sudder Court, with a copy of the Proceedings of Government, under date 5th January last.
