Proceedings of the Madras Government, Judicial Department,
27th April 1861.

No. 184: Read the following letter from J. R. BOYSON, Esq., Government Solicitor, Madras, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 25th April 1861, No. 388.

Dated 13th April 1861, No. 493, Judicial Department.

1. With reference to the Proceedings of Government noted in the margin, I have the honor to report that I have communicated with Mr. Teed and the Accountant General, regarding the Security which Mr. Teed is prepared to offer for the due performance of the duties of Administrator General at Madras, if appointed to that Office.

2. Mr. Teed proposes to enter into his own Bond in the penalty of one lakh of Rupees and to deposit the Government Securities noted at foot. He likewise tenders as his sureties Messrs. James George Coleman and George Thomas Zillhardt, the present Members of the Firm of McDowell and Company of Madras Merchants and Agents for the sum of 51,000 Rupees, and these Gentlemen are willing to enter into a Joint and several Bond in the usual form in a penalty for that amount.

3. The Accountant General and I consider this proffered Security sufficient and satisfactory and such as we can safely advise Government to accept.

4. We think the Government Securities which Mr. Teed proposes to deposit may fairly be taken at the following rates, viz:—5½ per cents. at par 5 per cents. at 5 discount and 4 per cents. at 2½ discount, which will leave a gross value of Rupees 49,178-1-6.

5. I have prepared the necessary Deeds for giving effect to the proposed arrangement and they are now in course of engrossment and will be available for execution as soon as Mr. Teed's appointment to the Office of Administrator General has appeared in Orders.

6. I have the authority of the Accountant General for stating that he concurs in you with me as to the sufficiency of the Security offered by Mr. Teed.
