REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Palmanér, 12th April 1861, No. 20:—

SIR,

1. As directed in the concluding paragraph of the Order of Government, dated 25th March 1861, No. 697, I beg to submit a list of the Deputy Collectors in this Commission, whose services will be soonest dispensed with, showing their present standing in the Commission, the Districts in which they are now employed, and the chief posts they previously held in the public service.

2. As the claims and merits of these Officers came under the consideration of Government at the time of their appointment to this Commission, I need only remark that they have most fully answered the expectations I formed of them, as able, upright and industrious public servants.

3. The services of all the Officers in the list can be dispensed with on the completion of the Inám inquiry in the Táluqs in which they are now engaged, which I expect will be about the end of August. Should suitable appointments be found for any of them at an earlier date, I shall be prepared to relieve them at once by the transfer of the remainder of their work to the nearest Deputy Collector whose services are retained in the Commission.

4. The services of Mr. Marcar and of Darmaroya Mudaliyar have been already placed at the disposal of Government. As the vacancy to which Mr. Marcar has succeeded is, I believe, a permanent one, and as Darmaroya Mudaliyar officiates for another Deputy Collector employed on special duty, I beg to request that instructions may be issued to charge the entire salary of these Officers to their respective Departments, and no part of it to the Inám Commission. If Mr. Marcar can be at once confirmed as Principal Sudr Amín, I beg to recommend that Sashia Shastri be confirmed as my Special Assistant, and G. Pantaiya, who is now acting in the grade of second class, be confirmed as Deputy Collector of the fourth class.

ORDER THEREON, 23rd April 1861, No. 922.

1. Due attention will be paid to the list received with this letter on the occasion of vacancies among the Deputy Collectors in the Revenue Department. But as it is highly unlikely that six vacancies should occur during the next four months, it is desirable that the Commissioner should not dispense with the services of all the individuals in the list when their present work is done, but should transfer them or most of them to new localities. It is observed that one of the number Pantaiya only joined the Commission six months ago; if he is to be so soon sent back, it would have been much better that he had not been taken for the Commission at all.

2. Adverting to paragraph 4, the Civil Auditor will be instructed to debit the entire salary and allowances drawn by Ragunáda Ráu to the special duty on which he is now engaged, so as to leave his own salary available for Darmaroya Mudali who is acting for him in Tánjore.

3. A copy of the paragraph will be communicated to the Judicial Department, where orders will be passed on the recommendation respecting Mr. Marcar's pay.
