The 18th March 1861.

1. With reference to the above letter from the Government of Madras and to the letter No. 1,960, dated the 25th October last, received with Endorsement from the Home Department, No. 2,505, dated the 10th November, the Governor General in Council is of opinion that inasmuch as the arrangements therein mentioned, will be included in the general scheme for the revision of the Táluq Establishments, which will shortly be submitted to this Government, and which it is expected will ultimately result in a saving of expense, the better plan will be to consider the whole of the arrangements at once. It is, His Excellency in Council considers, next to impossible to carry on the re-organization of the Establishments alluded to, otherwise than piecemeal, and to enable the Madras Government to do so, His Excellency in Council directs that the Civil Auditor, Madras, be authorized to pass such Establishments on the special sanction of the Madras Government, subject to the orders that may eventually be passed by this Government when the whole of the modifications are submitted for approval.

2. Ordered that a copy of the above Resolution be sent to the Home Department, for communication to the Government of Madras, and that the original papers received from that Department with Endorsements, dated the 10th and 22nd November last, be returned. Copies being kept in the Office.

3. Ordered also that a copy of the above be sent to the Civil Auditor, Madras, for information and guidance.
