REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. SIM, Esq., Acting Secretary to Government, Revenue Department, dated 1st December 1860, No. 651 :—

SIR,

Dated 23rd November 1860.

In the order of Government No. 2,038 of 3rd November, sanctioning Sub-Magistrates for the District of Malabar, the appointment of Sub-Magistrates to the Laccadive Islands (paragraph 2) was postponed, on Mr. Grant's recommendation that the state of things there should not be disturbed while those islands continued under sequestration. In a letter now received from the Collector, he reports the contemplated transfer of the islands to the Bibi of Cannanore, and the necessity for sanctioning the appointment of the new Police in the islands. I have therefore the honor to request the sanction of Government for the two Sub-Magistrates mentioned in the list which accompanied my letter of 10th August last, No. 445, viz. :—

	RS.
At Manaki, 4th class.....	69
Kaurati, 4th class.....	69

The appointment of the new Police is not within my Department.

ORDER THEREON, 8th January 1861, No. 44.

1. The Governor in Council observes that on a former occasion Mr. Grant expressed himself adverse to the introduction of the new Police into the islands belonging to the Bibi of Cannanore. The Government are in doubt, therefore, whether Mr. Grant's present recommendation is founded on a conviction of the desirability of the measure, or from the consideration that as the new Police is to be introduced as a matter of course the arrangement had better be effected while the islands are under the management of the Officers of Government.

2. The Bibi, it is understood, is about to redeem the islands, and it is desirable therefore that the Collector should reconsider the question of extending the new Police to them, with reference to their peculiar circumstances and the Bibi's tenure and rights. The Collector will report his views on the subject with as little delay as possible.
