Proceedings of the Madras Government, Judicial Department,
4th May 1861.

No. 19. Read the following letter from W. GREY, Esq., Secretary to the Government of India, to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated Fort William, 13th April 1861, No. 745.

Home Department.
Judicial.

No. 1,655, dated 15th December, 1 Enclosure. I am directed to acknowledge the receipt
No. 192, dated 15th February. of your letters noted in the margin.

2. In the first of these letters it was represented that owing to the impossibility of one Inspector General personally supervising the constitution and working of the Police of twenty Districts, the division of the Presidency into five Police Ranges, each comprising four Districts and having its own Inspecting Superintendent, had been sanctioned by the Government of Madras, though only one appointment of a Superintendent had yet been made. In the second letter it is intimated, that it being considered indispensably necessary that the measure should be at once carried out, His Excellency in Council has constituted four Ranges out of the five, and has appointed to each an Inspecting Superintendent on a consolidated salary of Rupees 1,000 per mensem with travelling allowance at the usual rates. The sanction of the Government of India is solicited to these arrangements.

3. In reply I am desired to state that the Governor General in Council is pleased to sanction the appointment of the five Inspecting Superintendents, or as they should be called "Deputy Inspectors General" (that being the designation given to this grade of Officers by Act V of 1861), on the salary and travelling allowance recommended. I am directed to request that the reductions of expenditure which it is proposed to effect in order to meet in part the cost of these new appointments, may be made at as early a period as possible, and that a Tabular Statement may be submitted showing the net additional expense to be incurred.

4. I am directed to add that no sufficient reasons are given to show that the urgency in this case was so great as to require that a very considerable addition to the public expenditure should be incurred without the previous sanction of the Government of India.

No. 20. ORDER THEREON, 4th May 1861, No. 595.

(Signed) T. PYCROFT.
