Proceedings of the Madras Government, Judicial Department,
10th May 1861.

No. 55. Read the following letter from THOS. WILKINS, Esq., Acting Deputy Registrar of the Sudder Court, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 2nd May 1861, No. 51.

1. I am directed by the Judges of the Sudder Court to report for the Orders of Government, that the Civil Judge of Calicut has requested sanction for the erection of a new Court House for the District Moonsiff of Temulpoorum, the present Court House being in such a bad state of repair as to render it impossible to hold Court in it, and no other building being available for the purpose.

2. It will be observed that by Order of Government, in the Public Works Department, dated the 18th December last, No. 2,598, it was resolved to defer entering the estimate for the construction of the Court House for the District Moonsiff in the Budget for 1861-62; but as the Civil Judge now represents the urgent necessity for its erection, and the District Civil Engineer is also of opinion that the present building cannot be improved, the Judges beg to recommend that the necessary sanction may be granted for the early erection of a new Court House.

3. It has been ascertained that the location of a Small Cause Court at Calicut would not affect the present proposition, as the District Moonsiff's Station is in the centre of a rich and important District, and that the majority of suits coming before it, are for landed property.

No. 56. ORDER THEREON, 10th May 1861, No. 618.

The Government sanction the construction of a Court House for the District Moonsiff of Temulpoorum at a cost of Rupees (1,440) one thousand four hundred and forty, according to the estimate submitted by the Chief Engineer with his letter of the 12th December 1860, No. 7,888.

Proceedings, 18th idem, No. 2,598, Public Works Department.

(Signed) T. PYCROFT,
Chief Secretary.
