*Proceedings of the Madras Government, Judicial Department,
22nd May 1861.*

No. 145. Read the following letter from Captain J. C. HAUGHTON, Superintendent, Port Blair; to the Chief Secretary to Government, Fort Saint George, dated 13th May 1861, No. 24.

I have the honor to state for the information of the Governor of Madras in Council that I have this day granted three months' leave under Medical Certificate to Mr. 2nd Apothecary Sausman, who was detached from the Madras Medical Establishment for the special service of this Settlement in November last. He proceeds on the "Coromandel."

The Apothecary has applied for permission to resign his appointment on the ground of the unsuitability of the climate to his constitution. As he has been ill from the date of his arrival here, and as from the very great improvement which has taken place in the general health of the Settlement, the services of one Apothecary can now be dispensed with, it is my intention to recommend to the Government of India that his resignation be accepted.

No. 146. ORDER THEREON, 23rd May 1861, No. 675.

Communicated to the Principal Inspector General Medical Department, and to the Accountant General and Civil Auditor.
