*Proceedings of the Madras Government, Judicial Department,
5th June 1861.*

No. 31. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Ootacamund, 30th May 1861, No. 233.

In acknowledging the Proceedings of Government on my application for an establishment for the new Prison for thirty-six Europeans sentenced to Penal Servitude, I have the honor to state that I shall be quite content with the number named by Government of one Jailer, one Head Warder, and four Warders; if the Prison is fitted with water closets and water is laid on, and that if the Madras Government can give me temporarily two additional Warders, if I require them, and a Native Messenger, Cook and Sweeper is added to the establishment, it will suffice.

2. I do not intend to relieve the Jailer of the Native Jail—he can very well look after that also—it will be in the same ring fence, and is hardly 200 yards off.

3. I trust the modified proposition will be approved by the Government.

4. I have alluded to laying on water, the well is only commenced and cannot I think be safely completed for ten months, or in other words, till the springs run slack again.

No. 32.
