REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

and the following Proceedings of the Board of Revenue, dated 14th May 1861, No. 2,445 :—
and the following letter from the Acting Collector of North Arcot, dated 29th April 1861,
No. 80.

(In Cons. 2nd May 1861, No. 2,725.)

1. Ordered that the above letter, with copy of the Acting Collector's former letter, dated
In Cons. 23rd February 1861, No. 1,296. February 25th 1861, No. 28, and the Board's
" 7th " " " 787. Proceedings thereon, be submitted to Govern-
ment, with reference to paragraph 3 of their
Order, No. 287, under date February 6th 1861.
2. The Board approve of the arrangements proposed by Mr. Robinson in consultation
with the Military Authorities for converting the Main-guard at Vellore into a Taluq Kacheri,
and trust that they will be at once carried out as sanctioned by Government in their Order
dated above.
3. It appears from the Acting Collector's letter that the present Kacheri at Palikonda is
adapted for a Police Station House, and that the building to be vacated by the Police is
hired for as a tool depot by the Department Public Works. As there seems to be no reason
why these transfers should not take place, the sanction of Government is requested.
4. The Acting Collector will, however, be requested to report how he proposes to provide
accommodation for travellers should the bungalow at Palikonda be disposed of as suggested by
him, for the Board observe that during the past year forty-four persons halted at this bungalow,
and in 1859, sixty-seven travellers availed themselves of it.
