*Proceedings of the Madras Government, Judicial Department,
20th June 1861.*

No. 150. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue ;
to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Chepauk
Palace, 14th June 1861, No. 937.

Dated 6th June 1861, No. 162.

I have the honor to submit for the orders of Government a letter from the Collector of Tanjore requesting instructions to the Civil Auditor to pass the salary Bills of the Town Munsiffs of Combaconum and Tanjore. These offices were originally created under the Orders of the Government of India communicated in the Extracts Minutes of Consultation, dated 6th May 1853 and 20th June 1854, respectively, for the adjudication of petty Civil claims, and for the disposal of petty Magisterial cases owing to the large population of these towns and the villages surrounding them and the want of judicial tribunals at their immediate neighbourhood. The pay of these Munsiffs has hitherto been included in the General Abstract of the Revenue Establishment; they in no way were affected by the recent revision of establishment, yet the Civil Auditor has declined to pass their salaries from the 1st of January last. It is in reality a Judicial charge, and Government have sanctioned the continuance of the Town Munsiff of Trichinopoly in their Order of 27th April 1861, No. 573. I therefore request that the necessary instructions may be issued to the Civil Auditor to pass the charges now reported without further objection. The necessity for these offices can be enquired into in the Judicial Department. They are not required in the Revenue or Magisterial Department, as there is a Sub Magistrate located both at Tanjore and Combaconum.

From W. M. CADELL, Esq., Collector of Tanjore; to C. PELLY, Esq., Member of the Board of Revenue, Fort Saint George, dated Negapatam, 6th June 1861, No. 162.

* *Dated 8th April 1853.
10th July 1854.*

I have the honor to bring to your notice that, under the sanction* of the Government of India marginally noted, Town Munsiffs on a monthly salary of Rupees 37-2-3 and Rupees 40, respectively, were appointed at Combaconum and Tanjore for the adjudication of petty Civil claims and for the disposal of petty Magisterial cases. These Officers accordingly have been and are now carrying on these duties, their salaries being included in the General Abstracts of the Revenue Establishments. The situations of these Officers would appear to me to be in no way affected by the late revision of the Taluk Establishments, nor do I conceive that it was ever contemplated that they should at all be interfered with. Further these offices are included in the statement which has been furnished to you showing what portion of the General Establishments of the District according to the old scale were retained.

2. Such being the case the Civil Auditor, however, declines to pass the salary of the Town Munsiffs referred to from the month of January last, and on the ground that the revised scale of Revenue Establishments having been introduced under the sanction of Government, no part of the former Establishment can now be admitted without special authority.

3. The offices in question were created for a special purpose and for the disposal of the numerous petty cases which necessarily arise in towns of such magnitude and importance, and no specific orders having been received for their discontinuance, I presume it was not the intention of Government they should be done away with; and under these circumstances, I beg to request that you will obtain the special sanction of Government with a view to the salary thereof being passed by the Civil Auditor without further difficulty or objection.

No. 151.

ORDER THEREON, 20th June 1861, No. 797.

Resolved that a copy of the above letter and its enclosure be furnished to the Civil Auditor, and that he be directed to pass the salaries of the Town Munsiffs of Combaconum and Tanjore. It is observed that the office is a Judicial office and the pay is a Judicial charge, and that the appointment has not been affected by the revision of the Tanjore District or Talook Establishment.
