Proceedings of the Madras Government, Judicial Department,
26th June 1861.

No. 193. Read the following letter from W. GREY, Esq., Secretary to the Government of India; to T. PYCROFT, Esq., Chief Secretary to the Government of Fort Saint George, dated Fort William, the 8th June 1861, No. 1,143.

Home Department.
Judicial.

I am directed to inform you that it being considered unnecessary to retain the services of two Medical Officers at Port Blair, the Deputy Superintendent of the Settlement will be placed in Medical charge of the Convicts in addition to his other duties, and the services of Assistant Surgeon Gamach will be placed at the disposal of the Madras Government from the date on which he may make over charge of his office to Dr. Hayes. In conveying this intimation I am desired by the Governor General in Council to forward an Extract of Captain Haughton's letter in which the services of Dr. Gamach are very favorably mentioned, and to request that the same may be brought specially to the notice of His Excellency the Governor of Madras.

Extract of a letter from Captain J. O. Haughton, Superintendent of Port Blair, dated the 8th April 1861, No. 89.

The health of the Settlement has so very materially improved and the Madras Apothecaries have proved themselves so very competent to their duties, that I have no hesitation in saying that I consider one Surgeon amply sufficient for the duties of this Settlement. Should His Lordship in Council determine on dispensing with Dr. Gamach, I trust the valuable services he has rendered during three years, his services commencing with the existence of the Settlement may not be forgotten. Dr. Gamach's duties for two years were certainly of a most trying nature and I beg to recommend him to His Lordship's favorable consideration.
