*Proceedings of the Madras Government, Judicial Department,  
28th June 1861.*

No. 209. Read the following letter from W. ROBINSON, Esq., Inspector General of Police; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 24th June 1861, No. 891.

General Department.

With reference to the accompanying copy of a letter from the Senior Medical Officer at Neilgherries, No. 18, dated 13th April 1861, I beg that I may be permitted to have a small Ward built near the Dispensary for the use of the Police when such are under treatment.

N. B.—It will be provided for from the Lodging Fund, allowed for in the budget.

From L. W. STEWART, Esq., Senior Medical Officer, Neilgherries; to E. B. TENNANT, Esq., Superintendent of Police, Coimbatore, dated Ootacamund, 13th April 1861, No. 18.

I think it necessary that I should report to you for representation to the Principal Inspector General of Police the number of men of the Police Force who are daily falling sick, and the very inadequate means at my disposal to accommodate them. Many cases require that they should remain at home and not be exposed to the weather in coming to and fro from their houses. It has been ruled that when the men of the Police Force are very ill, they are to be attended in their own houses. If this were followed out, it would entail an immensity of trouble and time, more in fact than I could possibly devote, considering the number of other patients I am called upon to visit every day.

I therefore have the honor to request that some arrangements may be made for the reception of the Sick Police, with as little delay as possible. I may here remark that per diem allowance for the Police Force who are sick is not authorized under existing regulations, and this I beg specially to bring to your notice with a view to the Inspector General recommending head money being allowed for the Sick Police. The daily average sick is six.

(True Copy.)

(Signed) W. ROBINSON,  
*Inspector General of Police.*

No. 210.

ORDER THEREON, 28th June 1861, No. 836.

Communicated to the Public Works Department, with a request that a Plan and Estimate of the Ward proposed to be built near the Dispensary on the Neilgherries, for the use of the Police, may be furnished with the least possible delay.
