PROCEEDINGS OF THE MADRAS GOVERNMENT.

Following Proceedings of the Board of Revenue, dated 1st June 1861, No. 2,829:—
 Following letter from H. A. BRETT, Esq., Collector of Salem, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Chepauk, dated 1st May 1861, No. 67.

12,

With reference to the Proceedings of the Madras Government, dated 13th April 1860, directing that Mr. W. Boalth, Deputy Magistrate for the Shervaroys, may have a charge spend part of each week (the days being fixed) below and part above, I have the honor you will ascertain from Government whether Mr. Boalth, instead of having to visit the Hills, may be permitted to restrict his visits to once a fortnight, when his work on the Hills may not appear to require his presence so often as once a week.

Mr. Boalth states that his having to ascend the Hills so often as once a week has proved to his health, and that his duties as Deputy Magistrate of the Shervaroys and District are not so heavy as to make these weekly visits necessary.

During the 11 months Mr. Boalth has been employed on the Hills, the number of cases brought before him as Deputy Magistrate was 110, of which 97 were for "breach of contract."

In respect to the latter class of cases, Mr. Boalth informs me that such complaints are more frequent than they were, owing he believes to the fact that the people, now that they are free from the breach of Contract Law, are more careful to fulfil their engagements than they were.

The number of Civil Suits during the 11 months was 26. Many of these cases occupied much time, and with the scanty population on the Hills, it is fair to suppose that this number of suits will scarcely be maintained during the ensuing year.

Mr. Boalth at present passes every Monday and Tuesday in each week on the Hills. If he should in future occupy more than two days in the fortnight, he might pass three days above, and would find that an easier arrangement than the present one.

If the inhabitants of the Hills should be dissatisfied with the change now proposed, their complaints will be duly considered, and fresh orders will be solicited on the subject.

It is recommended to be submitted to Government, with the Board's recommendation that the Collector's recommendation be adopted as the rule, on the understanding that should any emergency arise requiring his presence on the Hills, he will at once proceed thither without reference to the Board of Revenue.

(A true Copy and Extract.)

(Signed) W. HUDLESTON, Secretary.

ORDER THEREON, 26th June 1861, No. 1,248.

The Court of Sudder Adalat will be requested, through the Judicial Department, to state whether they see any objection to the proposal of the Board of Revenue.
