REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Chepauk, 3rd June 1861, No. 913:—

SIR,

1. I have the honor to solicit the sanction of Government for the appointment of Sub-Magistrates at the undermentioned twelve stations in the Godavery District, at a cost of 1,188 Rupees per month:—

No.	Station.	Táluq.	Class.	Cost.
				Rs.
1	Alampur	Rámachendrapuram	3rd.	84
2	Kottapalli	Rajahmundry	1st.	134
3	Rajahmundry	Do.	4th.	69
4	Yéleswaram	Peddapuram	3rd.	84
5	Cocanada	Cocanada	1st.	134
6	Coringa	Coringa	3rd.	84
7	Chintalapudi	Ellur	3rd.	84
8	Sivakodu... ..	Narsapuram	3rd.	84
9	Pentapad	Tanuku	4th.	69
10	Tuni... ..	Tuni... ..	1st.	134
11	Pithapuram... ..	Pithapuram	2nd.	114
12	Polavaram	Yernagudem	2nd.	114
				1,188

2. The stations are those recommended by the Collector, and endorsed by the Inspector General Mufassal Police, who has been in personal communication with the Collector on the spot. Their joint letter is submitted for the perusal of Government.

Dated 24th May 1861.

3. Four of the stations are for Zamíndári Estates, the others are in Government Táluqs; and for the reasons given by the two gentlemen referred to above, I beg to recommend that their selection of stations may be confirmed.

4. I have, however, thought proper to make two alterations in the classes of Sub-Magistrates. A second class Officer is recommended by Messrs. Purvis and Robinson for Yéleswaram in the hilly and jungly parts of Peddapuram Táluq, who will also have magisterial charge of the adjoining Jaddangi Estate. But the population is very small, only 14,305 persons I think, considering there is also a Tahsildár for this Táluq, that a third class Officer should be sufficient.

5. For Coringa, which is a Zamíndári Estate, a fourth class Officer is allowed; but I think a third class should be given here, considering that Coringa is a sea port town of importance.

See letter, dated 25th August 1860, on the Sea Customs Establishment, paragraph 5.

The Collector at one time said that the Sea Customs Superintendent might be also a Sub-Magistrate. This could be done, and in that case the separate Sub-Magistrate would not be required. But in the joint letter from the Collector and Inspector General no such recommendation is made; and I doubt whether the Superintendent of Customs at this town will have time to devote to the magisterial duties of the town and Zamíndári; and I have therefore provided for a third class Establishment being allowed at Coringa.

See Statement.

6. With these slight alterations I beg to submit the Establishment for the sanction of Government.

ORDER THEREON, 26th June 1861, No. 1,251.

The Government approve and sanction the scheme recommended in this letter for the location of Sub-Magistrates in the Godavery District. The cost involved thereby it is observed is Rupees 1,188 a month.
