Proceedings of the Madras Government, Judicial Department,
16th July 1861.

Read the following papers:—

No. 135. From G. A. HARRIS, Esq., Civil and Session Judge, Chittur; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 20th June 1861.

I have the honor to request you will submit for the orders of Government whether I was entitled to the *free* services of the Medical Officer at Ootacamund, and the *free* supply of Medicines from the Dispensary during my late residence there. As ill health compelled me to apply for leave of absence, and this was only granted to me on the production of a Medical Certificate, I am led to believe that in neither case should payment be expected or required. If so, I would request the Government to sanction the repayment of the amount of the bill for Medicines which I have already discharged.

Referred for the report of the Principal Inspector General Medical Department.

(Signed) T. PYCROFT,
Chief Secretary.

27th June 1861.

2. Mr. Harris was entitled to the free services of the Medical Officer for attendance upon himself, while on sick leave at the Hills.
