Proceedings of the Madras Government, Judicial Department,
19th July 1861.

No. 150. Read the following letter from C. F. CHAMIER, Esq., Registrar of the Sudder Court; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 16th July 1861, No. 75.

1. I am directed by the Judges to state for the information of Government, that there is not at present sufficient judicial business at Trichinopoly to occupy the time of three Judicial Officers, and that they accordingly recommend the abolition of the Principal Sudder Ameen's Court; retaining only one Writer on Rupees 31½, and one Goomastah on Rupees 21 a month, to assist the Civil Judge's establishment.

2. The number of cases decided by the Principal Sudder Ameen in 1860 consisted of 23 original Suits, 113 appeals, and 112 criminal cases, and the transfer of this amount of work to the Civil Judge would not be attended with inconvenience.

3. The Judges also suggest that the establishment of the Principal Sudder Ameen at Chingleput be abolished, with the exception of one Writer on Rupees 31½ and one Goomastah on Rupees 21, who should be transferred to the Civil Judge's establishment. If it be not intended to employ the Principal Sudder Ameen to clear off the arrears in Salem, as suggested in the Court's letter of the 11th March last, the Judges are of opinion that his office might likewise be abolished.

4. The Judges further recommend the abolition of the Moofly Sudder Ameen's Court at Chicacole. The Civil Judge reports that the Moofly has only forty suits on his file and his criminal work merely amounted last year to twenty-two cases.

5. The Civil Judge of Chicacole reports that he will not require any addition to the strength of his establishment; but strongly recommends that their salaries, which were reduced in 1858 in order to provide funds for the Nundial Court, be now raised to the former rates. The Judges recommend that on the abolition of the Moofly's Court, the sum of Rupees 18 be appropriated for this purpose, and distributed in the manner shown in the margin.

No. 151. ORDER THEREON, 19th July 1861, No. 927.

The Government sanction the abolition from the 1st proximo, of the Principal Sudder Ameen's Court at Trichinopoly. Two of the servants on the establishment will be retained for employment in the Zillah Court.

2. On arrangements being made for the charge of the Civil and Sessions Court at Chingleput, the Principal Sudder Ameen will proceed to Salem to clear off arrears, and the two servants referred to will be transferred to the Judge's establishment. The Sudder Court will state whether the Principal Sudder Ameen will require any establishment at Salem.

3. The Government authorize the abolition also from the 1st proximo of the Moofly Sudder Ameen's Court at Chicacole. From a portion of the saving thus effected, the salaries of the servants named in the margin, on the establishment of the Civil Court of Chicacole, will be raised to the sums drawn by them prior to the reduction in 1858. This increase will be at the rate of eighteen Rupees a month.
