*Proceedings of the Madras Government, Judicial Department,
22nd July 1861.*

Read again letter, 18th June 1861, No. 255, from the Inspector General of Jails, recorded in Proceedings, 27th idem, No. 830.

No. 169. Read also the following letter from J. ROHDE, Esq., Inspector General of Jails ; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Ootacamund, 2nd July 1861, No. 277.

With reference to the Order of Government dated 27th ultimo, No. 830, enquiring whether any provision has been made in the Budget Estimate for 1861-62 for the increased charge now applied for, on account of Office establishment—if not, whether it can be met by a reduction of Jail expenditure ; I have the honor to state that the extra charge under reference was not included in the Estimate for 1861-62 through inadvertence. It occurs to me that this expenditure could be met from the amount of travelling allowance* portioned out in the Estimate and by the reduction of one Deloyet already effected.

*Rupees 4,050.

No. 170. ORDER THEREON, 22nd July 1861, No. 936.

The Inspector General of Jails proposes to provide for a permanent increase to his Office establishment " from the amount of travelling allowance (Rupees 4,050) portioned out in the Estimate, and by the reduction of one Deloyet already effected."

2. It appears to His Excellency in Council that this would be an unsatisfactory and improper way of making up the amount in question. If the travelling allowance is too large, it ought not to have been inserted in the Estimate—if only large enough, any diminution of it, must entail neglect of duty on the part of the Inspector General. The simplest plan will be, to allow the proposed increase in the Office establishment to stand over till next year. Sanction therefore will not for the present be given.

(Signed) T. PYCROFT,
Chief Secretary.
