Proceedings of the Madras Government, Judicial Department,

5th August 1861.

No. 38. Read the following letter from H. D. COOK, Esq., Civil and Sessions Judge of Calicut; to T. PYCROFT, Esq., Chief Secretary to Government, Financial Department, Fort Saint George, dated 19th July 1861, No. 290.

I have the honor to submit copy of a Memorandum from the Officiating Civil Auditor, by which it would appear that the Principal Inspector General Medical Department, has omitted the allowances of the Assistant Apothecary attached to this Zilla, in his Budget Estimate for 1861-62. His allowances having been hitherto drawn through this Court were included in the Budget Estimate submitted by me, but the whole item of Medical charges appears to have been omitted in the sanctioned Civil Budget on the ground that the "Principal Inspector General had provided for the entire Medical charges of the Presidency," and the Officiating Civil Auditor has consequently been compelled to disallow the allowances of the Assistant Apothecary for the months of May and June last. Under these circumstances I beg to request that the Collector of this District may be authorized to pay this charge from his Treasury and debit it to advances to be adjusted hereafter.

No. 529.

MEMORANDUM.

Your letter No. 270 of 3rd instant.

The Principal Inspector General appears to have omitted the allowances of the Assistant Apothecary attached to the Zilla of Calicut, as they cannot be found in the sanctioned Budget. Specific details of the Medical Budget have not however been received in spite of repeated requisitions.

Your best plan apparently will be to apply to Government for an advance of the sum, to be adjusted when authority is granted for the audit.
