No. 134. Read the following letter from Major W. J. WILSON, Commissioner of Police, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 15th January 1861, No. 8.

2. I have the honor to acknowledge the receipt of the Order of Government, No. 1,521, Judicial Department, dated 20th November 1860, and herewith submit the information therein called for.

2. The diet of the Children transferred from the House of Industry to the Lungarkhana is not included in the Contingent charges, but is supplied by the Commissariat Department on Indent. The Contingent charges include the wages of Wet-Nurses and of a Washerman. The only other separate Establishment kept up for the House of Industry consists of a Waterman and a female Scavenger whose pay is drawn on separate Abstract, under the Orders of Government, dated 27th June 1859, No 877.

3. On referring to Colonel Boulderson's letter of the 15th September 1859, and the Registers therein specified, I find that the number of persons maintained at the expense of the Carnatic Circar, when that Officer first took charge on the 1st June 1859, was as follows:—

Receiving Cooked food	.....	160
„ Raw Rice	.....	48
„ Money allowance	.....	164
Total persons	.....	372

4. The lapses amounting to 102 mentioned in Mr. Campbell's report took place as follows, viz., 100 between the 1st June and 15th September 1859, and 2 subsequently to that date. At the time of Colonel Boulderson's report in September 1859 the numbers stood thus, namely,

Receiving Cooked food	.....	126
„ Raw Rice	.....	44
„ Money	.....	102
		272

being a decrease of 100 persons.

5. Since the end of September 1859 there has been but little change in the number, either one way or the other.

No. 135. ORDER THEREON, 25th January 1861, No. 99.

It appears from this letter that the Inmates of the House of Industry are provisioned by the Commissariat Department. This arrangement, it is observed, will cease on the 1st May next, under the Orders noted in the margin.
