*Proceedings of the Madras Government, Judicial Department,
6th January 1862.*

No. 12. Read the following letter from A. PURVIS, Esq., Magistrate of the Godavery District; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Tuni, 12th December 1861, No. 445.

With reference to the Order of Government, under date the 14th May last, No. 634, directing the Magistrates of the Districts in which there are any great Zemindars, to report what weapons large and small they have severally in their possession and what course should be taken in respect to them; I have the honor to state that the only Zemindary falling under the description above given in this District, is that of Pettapur, which is at present under the management of the Court of Wards, but the owner of which will very shortly attain his majority. The number of weapons belonging to this Estate is not larger than required for the protection of the property.

2. The Zemindar who holds the Estate next in size, is Rajah Naria Apparaó Bahadur, to whom the Nidadavol and Baharzalli Estates belong, and who resides close to Ellore. Neither he or any of the other smaller Zemindars have in their possession a larger number of weapons than can be considered necessary. I submit a statement shewing the number of the different descriptions of Arms possessed by each.

	Large. 1	Small. 6
Minor Zemindars of the Pittapur Estate.

Rajah Calidindi Komara Luksme Nursimharaz, Ex-Zemindar of Mogultur...	4	9
Rajah Vuchavoya Súrya Narraina Jagapateraz, Zemindar of Kottam, the heir of late Poddapur Zemindar...	10	6
Rajah Cocherlakotta Kamayama, Proprietrix of Polavarum...	0	5
Maniem Kanakia, Joint Proprietor of Gutala...	2	0
Total...	17	28

3. There are certain cannon of sizes in possession of certain of the Zemindars as shewn in the margin. I believe the whole are quite unserviceable, and are made no use of whatever; but had better, I think, be disposed of in the manner directed in the 5th paragraph of the Order of Government now under reply.

No. 13. ORDER THEREON, 6th January 1862, No. 9.

The large and small cannon specified in the last paragraph of this letter, will be burst by the Ordnance Department, in communication with the Magistrate.

2. The small Arms in the possession of the Zemindars need not be interfered with.

(Signed) T. PYCROFT,
Chief Secretary.
