PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue, dated 20th June 1862 :—

Read the following letter from G. A. BALLARD, Esq., Collector of Malabar, to W. HUDLESTON, Esq., Secretary to the Board Revenue, Madras, dated Calicut, 12th June 1862.

SIR,

1. The Civil Auditor has struck out from the Pay Bill of the Tálug Establishments for April last, a sum of Rupees 993-0-2, being

* Exclusive of stoppages on account of the Income Tax Refunds, &c., amounting to Rupees 5-1-4.

salaries* of the servants of the Ernad and Sher-nad Tálugs, and those of the Sub-Magistrates

of Tangasheri and Anjengo and their Establishments, with the following remark :—" Disallowed as the provision in the Budget for 1862-63 is only sufficient to meet the charges according to the new scale."

2. In the Budget Estimate of this District, which was prepared and submitted in December last, provision for the salaries of the above Establishments was made according to the new scale, in anticipation that the Police would take charge of the Tálugs adverted to as well as Tangasheri and Anjengo before the close of the past official year, but this the Superintendent of Police has not yet been able to effect. Captain Menzies, who was written to under date 6th instant on the subject, informs me " that the (new) Ernad Tálug will most probably be taken " Police charge of about the 15th July. As regards Anjengo and Tangasheri, I am at present " quite unable to fix upon any date."

3. Under these circumstances I have the honor to request the Board will be pleased to obtain the sanction of Government for the transfer of funds, if available, from the Budget Estimate of 1862-63 of the Inspector General

of Police to meet the difference between the actual and estimated charges on account of the Revenue and Magisterial Establishments above alluded to until such time as the Police may be able to relieve them. If this be impracticable, I solicit that I may be allowed to disburse their pay as an advance to be adjusted in such manner as the Board may deem proper to direct. I need hardly say that the establishments are subjected to great hardship from not having as yet received their pay for April.

Ordered to be submitted to Government with the Board's request that the Civil Paymaster may be instructed to pass the Pay Bills of the Tálug Establishments referred to by the Collector. Any deficiency on this account in the Revenue Budget may ultimately be made good by a transfer from the Police Budget, in which full provision appears to have been made for the new Police. The new Police not having been introduced, the amount provided for it is clearly available to meet any deficiency in the Revenue Budget.

ORDER THEREON, 2nd July 1862, No. 1,435.

The Government in paragraph 13 of their Order dated 28th January 1862, No. 128, anticipated difficulties of the description now brought to notice, and desired the Accountant General in the event of this Government not being authorized to transfer funds from the Police to the Revenue Department to enter the joint establishment in the Revenue Budget and strike out the portion entered in the full Police Budget. No such transfer appears to have been made. The

Acting Accountant General will now be requested to report, in communication with the Board of Revenue and the Inspector General of Police, what sum should be transferred from the Police to the Revenue Budget, and whether this Government can order the transfer. As sufficient funds must now be available in the Revenue Budget and it is only towards the close of the year that any deficiency will arise, the Civil Paymaster will be instructed to pass the establishment.
