Proceedings of the Madras Government, Judicial Department,
19th July 1862.

No. 165. Read the following letter from Major W. J. WILSON, Commissioner of Police ;
to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint
George, dated 1st July 1862, No. 69.

In compliance with the Order of Government noted in the
Financial Department, dated 20th margin, the item of 588 Rupees for the Extra Garrison Police
November 1861, No. 563. was entered in the Budget for 1862-63, and instead of paying
that portion of the Force from the rents of the Garrison Boutiques as heretofore, I included the
charge in the General Abstract for the month of May last, together with an extra charge of 8
Rupees on account of an additional allowance to the regular Garrison Police which also used to
be paid from the Boutique rents; but the Civil Paymaster having objected to pass the Bills un-
til supported by copies of the authority under which the extra charge of 8 Rupees was made,
and the extra Force entertained, I have the honor to submit the matter for the consideration
and orders of Government.

2. On the 1st January 1860, the Fort Police was transferred to the Commissioner of
Police according to the Order of Government noted in the
Judicial Department, dated 23rd margin. It consisted of 1 Duffadar at 12 Rupees; 2 Peons at 8
December 1859, No. 1,711. Rupees each; 4 Peons at 7 Rupees each; and 4 Peons at 6 Rupees
each, making 80 Rupees in all per mensem, besides which the 8
Extract Minutes Consultation, dated Peons last specified each received an additional Rupee from the
12th December 1843, No. 3,914. Bazaar or Boutique Fund. Besides the Duffadar and 10 Peons abovementioned, 7 extra Peons
at 7 Rupees each were employed in the Fort. These men were paid and clothed from the pro-
ceeds of the Boutique rents, and were transferred to the Commissioner of Police on the same
date as the others, since which time their cost has been defrayed from the same source as before :
the money received on account of the shop rents in the Fort being remitted quarterly to the
Commissioner by the Fort Adjutant.

3. I herewith forward a Statement showing the charges and receipts since the transfer,
the former up to the end of April last, and the latter in advance up to the end of August next,
from which it will appear that the proceeds of the Boutique Fund will soon be insufficient to
meet the expenses.

4. The extra Rupee at present allowed to the four Peons on 7 Rupees each per mensem
may be discontinued, but I do not see that any other saving can be made.

5. I have carefully considered the duties which the Fort Police are called upon to perform.
They are so onerous as not to admit of any reduction in the number of men, and of such a nature
that they could not be performed by the Military.

6. A Memorandum exhibiting the cost of the present and proposed Garrison Police is
also herewith submitted.

Memorandum of the present and proposed Garrison Police Force.

MADRAS POLICE,
COMMISSIONER'S OFFICE,

Commissioner of Police.

Proceedings of the Madras Government, Judicial Department,
19th July 1862.

No. 166.

ORDER THEREON, 19th July 1862, No. 1,143.

In paragraph 2 of the Order of the 20th November last, No. 568, Financial Department, it was ordered that the rents of the Boutiques in Fort Saint George should be paid into the Treasury and carried to account, and that the payments from these rents on account of the Extra Garrison Police should be entered in the Budget, commencing from 1862-63.

2. The new arrangements should, therefore, have commenced with April, and not May. The balance Rupees 445-12-0, according to the account submitted, which includes the collections up to 31st August next, and the pay of the Police for April and clothing for the year 1862, should now be remitted to the Bank of Madras. The Account Current will be forwarded to the Accountant General.

3. The immediate cause of the present reference is the refusal of the Civil Paymaster to audit the bills without the production of the authority for incurring the charge. It does not appear that the Commissioner has applied to the Fort Adjutant, or the Officer from whom he received charge of the Extra Garrison Police, for copies of the authorities called for by the Civil Paymaster. He will be good enough to do so now, and report the result to Government. Inquiry will also be made of the Controller of Military Finance as to the authority under which the charge for the establishment in question was passed in the Military Department, prior to its transfer to the Commissioner of Police.

4. The Governor in Council directs that, pending the result of these inquiries, the Civil Paymaster will pass the pay of the Garrison Police, no part of it is a fresh charge, although a portion of it is now for the first time brought under the audit of the Civil Paymaster.

5. The Garrison Police consists of 18 men costing monthly Rupees 137, of this sum Rupees 80 has hitherto been paid from the Public Treasury and Rupees 57 from the Boutique rents. The Commissioner proposes reducing 4 of the Peons on Rupees 8 to Rupees 7 each. The Garrison Police will then cost Rupees 133 a month. The Governor in Council sanctions the reduced scale.
