*Proceedings of the Madras Government, Judicial Department,
22nd July 1862.*

Read again Proceedings, 21st June 1862, No. 958.

Read also the following papers:—

No. 267. From W. J. RAYNOR, Esq., Officiating Civil Paymaster; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 30th June 1862, No. 861.

With reference to Government Order, No. 958 of 21st instant, I have the honor to state that, according to paragraph 3 of the letter from the Financial Secretary to the Government of India, dated 12th ultimo, No. 3,872, the revival of the appointment of Junior Assistant Agent in Vizagapatam requires to be sanctioned by the Supreme Government.

No. 208. From E. G. R. FANE, Esq., Agent to the Governor, Vizagapatam; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 8th April 1862, No. 92.

In forwarding the enclosed correspondence in original* between myself and the Sudder

* To be returned.

Order of Government, dated 12th August 1860, No. 1,073.
Proceedings Sudder Court, dated 20th February 1862.

Udalut, I have the honor to request you will obtain me the sanction of Government to re-entertain the establishment required for Lieutenant Smith as the Sudder Udalut decline to do so.

2. I may here mention that the charge will not be a new one, as it was included in the amounts sanctioned by the Government of India and communicated to this Office in Extract Minutes of Consultation, dated the 26th November 1840, No. 1,318, and dated 17th January 1857, No. 81, so that I trust there will be no objection raised by the Audit Office on the score of its being an increase of expenditure.

3. The establishment now applied for at a cost of Rupees eighty-seven has been included in the Budget for 1862-63. I request the early Orders of Government on this application, as I am anxious that Lieutenant Smith should at once commence with his Civil work.

4. Two Peons at 6 Rupees each will I fear be but a sorry guard for the Chief Civil authority of a country of 7,500 square miles, and I should therefore recommend in addition one Duffadar on 10 Rupees and another Peon on 6. Savages, such as Lieutenant Smith will have to habitually deal with, pay much respect to show, and would, if more Peons were not allowed, be apt to contrast the mean appearance made by him with that of the commonest of the Rajah's followers.

5. The opinion of such people can perhaps be despised in the low country, but in a new country like Jeypoor is worthy, I think, of consideration, more especially when we know that the only European seen in these parts hitherto has been the Meriah Agent who was always attended by numbers of Sepoys, and a large array of Peons. If this increase be complied with, there will then be a slight increase on the sum above mentioned, viz., 87 Rupees, but the amount will still be far within that of the original sanction for the establishment of the Agent and his Assistants.

Referred for the remarks of the Civil Paymaster.

Revenue Department.

In reply to Order of Government, dated 25th ultimo, referring for report an application from the Agent to the Governor of Fort Saint George

in Vizagapatam, I have the honor to state that,

Proceedings of the Madras Government, Judicial Department,
22nd July 1862.

† G. O., 12th August 1862, No. 1,973, Revenue Department. Assistant Agent there, was absorbed into the Press establishment of that District in 1859, it cannot be brought on the books again without the special sanction of the Supreme Government, unless its cost can be met out of the sum sanctioned for the establishment of the Head Assistant, Rupees 144 per mensem, which does not appear to have been entertained, as the allowance for it has up to this date not been drawn.

2nd. The Peons required for Lieutenant Smith will also need the sanction of the Government of India.

No. 210. From D. F. CARMICHAEL, Esq., Acting Agent to the Governor of Fort Saint George, Vizagapatam; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 26th June 1862, No. 229.

In soliciting your attention to my predecessor's letter, No. 92, dated 8th April last, I have the honor to request that the sanction of Government may be obtained for re-entertaining the establishment therein mentioned as early as possible, as much inconvenience is felt in paying the Peons who have been entertained in anticipation of sanction.

No. 211. ORDER THEREON, 22nd July 1862, No. 1,154.

The above papers relate to the salary and establishment of the Junior Assistant to the Government Agent in Vizagapatam.

2. This appointment was revived by the Order of the 21st September 1861, to provide a European Officer for the Magisterial and Judicial charge of the Jeypoor territory. No Junior Assistant had been appointed since 1856, and looking to the interval of time, the Civil Paymaster submitted to the Government of India that cases of this kind should be sanctioned anew by them. That Government have concurred in this opinion, and consequently, as the Civil Paymaster has reported, the revival of the Junior Assistantship in the Agency of Vizagapatam, requires their sanction.

3. The same objection if there were none other, would apply to the revival of any discontinued portion of the establishment originally sanctioned for this office. The amount was Rupees 171, of which Rupees 75 was transferred to the Press, and Rupees 43 absorbed for the Police furnished as Court Guards. The remainder, Rupees 53, is still available, and the Agent

is prepared to transfer to his Jeypoor Assistant the servants paid out of it, viz., 2 Jawabnevis, a Moochee, and a Massaljee and Sweeper. Of the proposed establishment, therefore, the salaries amounting to Rupees 103 must be treated as fresh expenditure, and as such, as stated by the Civil Paymaster, requiring the sanction of the Government of India.

4. In regard to Budget provision, it is observed that the salary of the Junior Assistant and the portion of his establishment costing Rupees 53 a month were being drawn prior to the preparation of this year's estimate. The Junior Assistant's salary, &c., is entered under Law and Justice, Criminal Courts. The Accountant General will report whether the sum of Rupees 53 is also provided for under Law and Justice.

5. Of the "fresh expenditure," the Agent states that Rupees 87 has been included in the Budget for 1862-63. He is requested to inform the Government under what head that amount has been exhibited. The only sum, for which Budget provision is wanting, is, therefore, Rupees 16 for the additional Duffadar and Peon specially recommended in consequence of the location of the Junior Assistant at Jeypore. The Government fully concur in Mr. Fane's remarks in paras. 4 and 5 of his letter, and direct that the pay of the Duffadar and Peon, be defrayed from the savings indicated in the Accountant General's letter recorded in Proceedings, 20th ultimo, No. 945.

6. As the salary and establishment of the Jeypore Assistant can thus be met from the present year's Budget, the sanction of the Government to his salary, and Rupees 103 on account

of establishment, will be applied for in the manner prescribed in paragraph 43 of the Honorable Mr. Drummond's letter of the 21st ultimo, No. 4,089. The abstracts of the new establishment will be passed from the date in which it was entertained.
