PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant-Colonel J. OUCHTERLONY, Deputy Chief Engineer, Southern Circle, to Colonel W. I. BIRDWOOD, Secretary to Government, Public Works Department, dated Madras, 5th July 1862, No. 19:—

SIR,

1. In Extract Minutes Consultation No. 1,136, under date 24th July 1858, Public Works Department, Public, Government were pleased to authorize the dispersion through various Districts of twenty iron cash chests for which Lieutenant Mullins had become responsible. Amongst others Tinnevely received two.

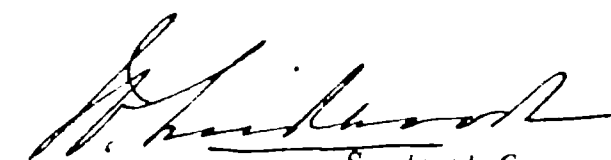

2. One of these chests is represented in the correspondence herewith submitted, to be in use in the District Engineer's Office, but the other is not required by the Department. The Superintendent of Police desires to have this spare chest transferred to him, and as it seems very desirable that it should be made proper use of for the benefit of the public, I request sanction for the transfer.

3. As the value of the chest may be considered intact, I propose that the sum for which Government were originally debited for it in the Public Works accounts, viz., Rupees 85, should be recovered from the Judicial Department (Police) on the transfer being made, and duly credited in the books of the District Engineer.

ORDER THEREON, 16th July 1862, No. 1,704.

Under the circumstances stated the Government approve of the arrangement proposed in paragraph 3 of the foregoing letter.
