EXTRACT from the Proceedings of the Government of India, in the Financial Department, d. 26th June 1862.

EXTRACT from the Proceedings of the Right Hon'ble the Governor General of India in Council, in the Home Department, No. 2744, under date the 3rd June 1862.

Read again the under-mentioned papers on the subject of the abolition of the Special Agency for the suppression of Meriah Sacrifice and Female Infanticide in the Hill Tracts of Orissa, and the transfer of its functions to the several local Administrations :—

Resolution, dated the 18th of December 1861.

Endorsements on the above to the Government of Madras, the Government of Bengal, the Agent in the Hill Tracts of Orissa, the Chief Commissioner of the Central Provinces, the Financial Department, and the Foreign Department.

Read the under-noted papers on the measures necessitated by the abolition in question, viz :—

Letter from the Government of Bengal, No. 127, dated 21st March.

Letter from the Agent in the Hill Tracts of Orissa, No. 81, dated the 18th of April.

Letter from the Government of Fort Saint George, No. 758, dated the 8th instant.

RESOLUTION.—The Governor General in Council observes that the financial result of the measures is shewn to be an immediate reduction in the cost of administering the tracts formerly within the jurisdiction of the Special Agency from nearly a lac of Rupees annually to Rupees 33,700.

2. But a reserve is taken in the Police Budget for adding, if necessary, an Extra Superintendent of Police, and a second Reserve Company to be entertained, if required, which will add about Rupees 24,000 to the cost now estimated, viz :—

For Reserve Company	...	Rupees 16,962
For Superintendent of Police, at (say) Rupees 600 per mensem	„	7,200
		<u>24,162</u>

There is besides a re-distribution of Medical Establishments proposed, which is estimated to yield a saving of about Rupees 1,200 a month; this being obtained mainly by dispensing with the service of a Special Assistant Surgeon at Russellecondah. The rest of the savings effected are produced mainly by the reduction of the salary of the Agent and his Assistant and of their Office Establishment.

3. Against these are to be set the addition to the salary of the Head Assistant at Ganjam in consideration of his increased duties, and the increased Sub-Magisterial Establishments, in all Rupees 6,148 per annum.

4. But the Governor General in Council observes that travelling charges are not set down in this Estimate, though it is especially provided that the Officers now in charge of the Khond Tracts shall periodically visit them. This charge formed a heavy item in the Agency accounts.

7. The Report from the Civil Committee of the General Assembly is not yet received, but as the meeting will be adjourned, and has arranged to wait until early January, these two proposals will be not discussed in Committee or again in the plenary session, and are no longer held over.

ORDERED, that, with a copy of this Resolution, the letter from the Government of Madras noted above, be forwarded to the Federal Department with a reference to endorsement herefrom, No. 3623, dated 18th December 1894, with a recommendation that the proposals of that Government be sanctioned for the current year, subject to further consideration when the General Police Budget for 1895-96 comes to be examined.

Order also, that a copy of this Resolution be transmitted to the Government of Fort Saint George, for information.
