*Proceedings of the Madras Government, Judicial Department,
30th July 1862.*

No. 294. Read the following letter from C. F. CHAMIER, Esq., Registrar of the Sudder Court; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 19th July 1862, No. 87.

The duties devolving upon Judges of Courts of Small Causes being of a new and important character, and the success of the system depending much upon the manner in which those duties are conducted, I am directed to suggest that in cases where the Judge may have facilities for reaching the Presidency, he be recommended to visit it for a short period for the purpose of attending trials at the Court of Small Causes at Madras, and ascertaining the course taken in issuing processes, unless he should already have witnessed the operations of that Court, which the Judges understand has been done in one or two instances. Any Judge visiting the Presidency as herein suggested might be allowed travelling allowances at the usual rate, it being for the public advantage that he should gain the experience in question.

No. 295. ORDER THEREON, 30th July 1862, No. 1,212.

The Governor in Council cannot accede to the proposal made in the foregoing letter.

2. The removal of the Judges from their Courts just after they have been opened would cause great public inconvenience, and is a measure which cannot be entertained.

(Signed) A. J. ARBUTHNOT,
Acting Chief Secretary.
